AUSTIN, TX, May 8, 2015 - Stratus Properties Inc. (NASDAQ: STRS) reported net income attributable to common stock of \$2.7 million, \$0.34 per share for first-quarter 2015, compared with \$1.1 million, \$0.14 per share, for first-quarter 2014. Stratus' net income attributable to common stock for first-quarter 2015 included income from discontinued operations of \$3.2 million, \$0.40 per share, associated with the recognition of a deferred gain from the 2012 sale of 7500 Rialto. Stratus' net income attributable to common stock for first-quarter 2014 included income of \$0.6 million associated with an insurance settlement and the recovery of building repair costs associated with damage caused by the June 2011 balcony glass breakage incidents at the W Austin Hotel & Residences.

William H. Armstrong III, Chairman of the Board, President and Chief Executive Officer of Stratus, stated, "Stratus continues to aggressively pursue its five-year development plan, with construction progressing on the first phase of the Barton Creek 236-unit Tecoma multi-family project and planning for future multi-family and commercial components also underway. During the first quarter we received site plan approval for our 325,000 square foot Lantana mixed-use project. Our current development projects with HEB are each on schedule, and we are enthusiastic about similar opportunities in the future that conform to our 5-year plan. We recently opened up and are anticipating positive interest in our Barton Creek Amarra Phase III section of homesites, with planning for additional Barton Creek home sites also underway. The process to sell the W Hotel project has yet to produce an acceptable sales proposal; we will continue to consider future sales opportunities and own and operate the project until sold. Our marketing efforts for the sale of our Parkside Village and Circle C multi-family sites have been very encouraging, and we expect to conclude efforts for a new credit facility soon. Our first-quarter financial results reflect continuing positive operating performance at the W Austin Hotel, ACL Live and our commercial leasing business, and we expect continued progress on our five-year development plan to lead to further opportunities for positive future financial performance."

<u>Five-Year Business Strategy</u>. Stratus' board of directors has approved a five-year plan to create value for stockholders by methodically developing certain existing assets and actively marketing other assets for possible sale at appropriate values. Under the plan, any future new projects will be complementary to existing operations and will be projected to be developed and sold within a five-year time frame. Stratus believes that the Austin and surrounding sub-markets continue to be desirable. Many of Stratus' developments are in locations where development approvals have historically been subject to regulatory constraints, which has made it difficult to obtain entitlements. Stratus' Austin assets, which are located in desirable areas with significant regulatory constraints, are highly entitled and, as a result, Stratus believes that through strategic planning and development, it can maximize and fully realize their value. These development plans require significant additional capital, and may be pursued through joint ventures or other means. In addition, the strategy is subject to continued review by Stratus' board of directors and may change as a result of market conditions or other factors deemed relevant by the board.

As part of its five-year plan, Stratus is currently developing The Oaks at Lakeway and Tecoma Multi-Family projects. The Oaks at Lakeway is a HEB Grocery Company, L.P. (HEB) anchored retail project planned for 245,022 square feet of commercial space. The Tecoma Multi-Family project is a garden-style apartment complex consisting of 236 units. Both projects are under construction and are progressing on schedule.

In January 2015, Stratus and Canyon-Johnson Urban Fund II, L.P. (Canyon-Johnson), Stratus' joint venture partner in the W Austin Hotel & Residences project, engaged a financial adviser to explore a possible sale of the W Austin Hotel & Residences project; to date, the process has not produced an acceptable transaction. Stratus is also in the process of engaging or considering the engagement of advisers to market other developed and undeveloped properties.

<u>W Austin Hotel & Residences Project</u>. Revenue per Available Room at the W Austin Hotel, which is calculated by dividing total room revenue by total rooms available, averaged \$320 during first-quarter

2015, compared with \$309 during first-quarter 2014. The 251-room hotel, which Stratus believes sets the standard for contemporary luxury in downtown Austin, is managed by Starwood Hotels & Resorts Worldwide, Inc.

Austin City Limits Live at the Moody Theater (ACL Live) hosted 48 events during first-quarter 2015, compared with 45 events during first-quarter 2014. ACL Live currently has events booked through March 2016.

The project also has 39,328 square feet of leasable office space, including 9,000 square feet occupied by Stratus' corporate office, and 18,362 square feet of retail space. As of March 31, 2015, occupancy for the office space was 100 percent and occupancy for the retail space was 74 percent. Leasing is ongoing for the remaining retail space.

As of March 31, 2015, sales of 157 of the 159 condominium units had closed for \$186.2 million with the remaining two units being actively marketed.

<u>Parkside Village</u>. Parkside Village, a 90,184-square-foot retail project in the Circle C Community in southwest Austin, consists of a 33,650-square-foot full-service movie theater and restaurant, a 13,890-square-foot medical clinic and five other retail buildings, including a 14,926-square-foot building, a 10,175-square-foot building, an 8,043-square-foot building, a 4,500-square-foot building and a stand-alone 5,000-square-foot building. Construction of the Parkside Village retail project was completed during fourth-quarter 2014, and as of March 31, 2015, occupancy was approximately 96 percent. A lease for an additional two percent of the space has been signed, and leasing is ongoing for the remaining space.

<u>Discontinued Operations</u>. In 2012, Stratus sold 7500 Rialto, an office building in Lantana. In connection with the sale, Stratus recognized a gain of \$5.1 million and deferred a gain of \$5.0 million related to a guaranty provided to the lender in connection with the buyer's assumption of the loan related to 7500 Rialto. The guaranty was released in January 2015, and Stratus recognized the deferred gain totaling \$5.0 million (\$3.2 million to net income attributable to common stock) in first-quarter 2015.

<u>Operating Results</u>. Stratus' developed property sales for the first-quarter of 2015 and 2014 included the following (dollars in thousands):

	First-Quarter										
	•	2015		2014							
	Lots/Units	Lots/Units Revenues		Lots/Units	Revenues	Average Cost Per Lot/Unit					
Barton Creek											
Calera:											
Verano Drive	_	\$ —	\$ —	3	\$ 1,154	\$ 187					
Amarra Drive:											
Phase II Lots	_	_	_	5	2,475	203

W Austin Hotel & Residences Project											
Condominium Units	_	_	_	2	1,720	698					
Total Residential	8	\$ 2,205		10	\$ 5,349						

The decrease in developed lot/unit sales and revenues in first-quarter 2015 primarily resulted from fewer condominium unit sales at the W Austin Residences, as Stratus has sold all but the last two units of its remaining inventory, and fewer lot sales at Verano Drive and Amarra Drive Phase II (all remaining Verano Drive lots were sold during 2014). These decreases were partly offset by increased lot sales at Meridian.

Development of Amarra Drive Phase III, which consists of 64 lots, was completed during first-quarter 2015, and the lots are being marketed for sale.

As of April 30, 2015, 42 Meridian lots, 14 Amarra Drive Phase II lots and 64 Amarra Drive Phase III lots remain available for sale.

Revenue from the Hotel segment totaled \$11.7 million for first-quarter 2015, compared with \$10.9 million for first-quarter 2014. Hotel revenue reflects the results of operations for the W Austin Hotel, and primarily includes revenue from room reservations and food and beverage sales. Increased Hotel revenues for first-quarter 2015, compared with first-quarter 2014, primarily reflect higher average room rates and increased food and beverage sales.

Revenue from the Entertainment segment totaled \$4.3 million for first-quarter 2015, compared with \$5.5 million for first-quarter 2014. Entertainment revenues primarily reflect the results of operations for ACL Live, including ticket sales, revenue from private events, sponsorships, personal seat license sales and suite sales, and sales of concessions and merchandise. Entertainment revenue also reflects revenues associated with outside events hosted at venues other than ACL Live and production of recorded content for artists performing at ACL Live, as well as the results of the joint venture with Pedernales Entertainment relating to Stageside Productions. Revenues from the Entertainment segment will vary from period to period as a result of factors such as the price of tickets and number of tickets sold, as well as the number and type of events. The decrease in Entertainment revenue for first-quarter 2015 primarily resulted from lower revenue from private events.

Rental revenue from the Commercial Leasing segment totaled \$1.9 million for first-quarter 2015, compared with \$1.7 million for first-quarter 2014. The increase in rental revenue in first-quarter 2015 primarily reflects increased leasing activity and occupancy at Parkside Village and Block 21 Office.

Stratus is a diversified real estate company engaged primarily in the acquisition, entitlement, development, management, operation and sale of commercial, hotel, entertainment, and multi- and single-family residential real estate properties, primarily located in the Austin area, but including projects in certain other select markets in Texas.
