Stratus Properties Mails Letter to Stockholders

Highlights Value Creation Under Current Board Urges Stockholders to Vote FOR Company's Qualified Directors

AUSTIN, TX, May 16, 2016 – Stratus Properties Inc. (NASDAQ: STRS) (the "Company" or "Stratus") today issued the following letter from its Board of Directors (the "Board") to its stockholders.

May 16, 2016

Dear Fellow Stockholders:

Your Company has delivered strong performance. Your Board has put in place a strategic plan, and we believe the plan is already creating value. We are also conducting a review of strategic alternatives to ensure we are taking the right steps to maximize value for all stockholders.

One of our stockholders, Carl Berg, wants his nominees elected to your Board and wants to force the Company to be sold immediately in a "fire sale." We are writing to you because we believe Mr. Berg's plan could put the value of your investment at risk.

If you want Stratus to continue its successful strategies for value creation and to evaluate all options to maximize value for ALL stockholders, then please vote <u>TODAY</u> for your Board's nominees and against Mr. Berg's stockholder proposal on the <u>WHITE</u> proxy card – by telephone, over the Internet, or by signing, dating and returning it in the postage-paid envelope provided.

Sincerely,

The Board of Directors of Stratus Properties Inc.

Your vote matters!

We believe Stratus is well positioned to unlock further significant value

- ✓ Strong Austin economy supports continued asset value growth

Mr. Beau Armstrong	Deep industry and market expertise critical for execution
Mr. Charles Porter	Unique hospitality experience drives hotel, entertainment venue strategy

We believe Stratus' current Board has the necessary skills, relationships, and corporate governance and development expertise to continue to build value **VOTE THE WHITE PROXY CARD TODAY**

WE BELIEVE MR. BERG'S PROXY CONTEST IS A SELF-SERVING CAMPAIGN

Our View of Berg Nominees: Wrong People, Wrong Incentives, Wrong Strategy

- Berg nominees: little or no
 experience as public company
 directors or with real estate in Austin
- <u>Berg plan</u>: forced "fire sale," minimal analysis provided, driven by Mr.
 Berg's desire to exit his illiquid position

Mr. Dean: has a "golden leash" agreement with Mr. Berg under which he would forego substantial value if the Company is not sold within three years, creating a clear financial incentive for Dean to work towards Mr. Berg's short-term liquidity goals

Mr. Knapp: has been a full-time employee of Mr. Berg's companies for 20+ years

Mr. Berg's Record of Destroying Value

Stockholders lost significant value while Mr. Berg was a director on boards of: Valence Technology, Focus Enhancements and Monolithic Systems.

Stockholders in each of these companies lost substantial value.

This press release also includes measures of estimated pre-tax net asset value ("NAV"), which are not recognized under U.S. generally accepted accounting principles ("GAAP"). We do not believe there is a directly comparable GAAP measure to NAV. We believe this measure can be helpful to investors in evaluating our business because NAV illustrates current embedded value in our real estate, which is carried on our GAAP balance sheet primarily at cost. Our management uses NAV as one of the metrics in evaluating progress on our five-year plan. NAV is not intended to be a performance measure that should be regarded as more meaningful than GAAP measures. Other companies may calculate this measure differently. For a discussion of NAV, including how our NAV is calculated, please see the Investor Presentation dated March 15, 2016, including the "Cautionary Statement," available on our website at www.stratusproperties.com.
