Item 1.01. Entry into a Material Definitive Agreement.

On August 21, 2015, Stratus Properties Inc. ("Stratus") entered into an Amended and Restated Loan Agreement (the "Amended and Restated Loan Agreement") by and between Stratus and certain of its wholly owned subsidiaries, Stratus Properties Operating Co., L.P., Circle C Land, L.P., Austin 290 Properties, Inc. and Overlook at Amarra, L.L.C. (collectively with Stratus, the "Borrowers"), as borrowers, and Comerica Bank ("Comerica"), as lender. The Amended and Restated Loan Agreement renews, extends, amends, modifies, increases and restates Stratus' \$48.0 million credit facility with Comerica, which was comprised of a \$35.0 million revolving line of credit, \$3.0 million for letters of credit and a \$10.0 million construction loan, that was scheduled to mature on August 31, 2015.

The Amended and Restated Loan Agreement provides for a \$72.5 million credit facility, divided into three tranches as follows: (1) a \$45.0 million revolving line of credit evidenced by an amended and restated revolving promissory note, (2) \$7.5 million for letters of credit evidenced by an amended and restated promissory note, and (3) a new \$20.0 million term loan evidenced by an installment note (collectively, the "Notes"). Under the terms of the Notes, the interest rate applicable to amounts borrowed under each tranche is equal to an annual rate of LIBOR plus 4.0%, with a minimum interest rate of 6.0%. The credit facility will mature on August 31, 2017.

Proceeds from the revolving line of credit tranche shall be used to fund Stratus' working capital needs, including land acquisitions; however, without prior approval from Comerica, individual land acquisitions shall not exceed \$3.0 million and aggregate land transactions shall not exceed \$10.0 million. Proceeds from the letter of credit tranche shall be used to fund governmental fiscal security postings required for development permits. Proceeds from the term loan tranche shall be used to fund a portion of Stratus' pending buyout of Canyon-Johnson Urban Fund II, L.P.'s interest in the joint venture that owns the W Austin Hotel & Residences project.

The Amended and Restated Loan Agreement contains customary financial covenants, including a requirement that Stratus maintain at all times (1) a minimum total stockholders' equity balance of \$110.0 million and (2) a maximum debt-to-tangible net worth ratio of 2.50 to 1.00. The Amended and Restated Loan Agreement also prohibits Stratus from purchasing, acquiring or redeeming any of its equity ownership interests; however, Stratus may repurchase up to \$1.0 million of its outstanding common stock in the aggregate during the term of the loan.

Under the terms of the Amended and Restated Loan Agreement, to the extent that principal is then outstanding under the \$20.0 million term loan note, Stratus shall make principal payments to Comerica as follows: (1) \$8.0 million (which may be made in no more than two installments) on or before December 31, 2015; (2) after December 31, 2015, quarterly principal payments of \$1.75 million at the end of each calendar quarter, commencing on March 31, 2016 and continuing on each June 30, September 30, December 31 and March 31 thereafter until and including June 30, 2017; and (3) a final principal payment of \$1.5 million on August 31, 2017. In the event that Stratus makes any principal pre-payments to Comerica under the term loan note, such pre-payments of principal shall be applied to the outstanding principal of the term loan note in the inverse order of maturity. Any amounts borrowed and repaid under the term loan note will not be available for future advance to Stratus.

---

Repayments under the Amended and Restated Loan Agreement can be accelerated by Comerica upon the occurrence of certain customary events of default.

Stratus' obligations under the Amended and Restated Loan Agreement are secured by substantially all of Stratus' assets, except for properties that are encumbered by separate loan financing.

As of August 21, 2015, the principal balance outstanding under the revolving loan was \$28.5 million. There were letters of credit totaling \$2.4 million committed against the letter of credit tranche, and there were no outstanding balances on either the letter of credit tranche or the term loan as of that date.

The foregoing summary of the Amended and Restated Loan Agreement and the Notes does not purport to be complete and is subject to, and qualified in its entirety by, reference to the full text of the Amended and Restated Loan Agreement and the Notes, which are filed as exhibits hereto and incorporated by reference herein.

**AGREEMENT**

NOW, THEREFORE, in consideration of the premises and the mutual promises herein contained, Borrowers and Bank agree as follows:

**SECTION 1. DEFINITIONS**

## **SECTION 3. REPRESENTATIONS AND WARRANTIES**

Each Borrower represents and warrants as to itself and, as the context requires, each Loan Party within its control, and such representations and warranties shall be deemed to be continuing representations and warranties during the entire life of this Agreement, and so long as Bank shall have any commitment or obligation to make any Advances hereunder, and so long as any Indebtedness remains unpaid and outstanding under any Loan Document, as follows:

3.1 Authority. Stratus and Austin are each a corporation. SPOC and Circle C are each limited partnerships of which Stratus is an indirect or direct owner. Amarra is a limited liability company of which Stratus is a direct or indirect owner. Each of Stratus, Circle C, Austin, SPOC and Amarra is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and is duly qualified and authorized to do business in the state where the Land it owns is located and in each other jurisdiction in which the character of its assets or the nature of its business makes such qualification necessary.

3.2 Due Authorization. Each Loan Party has all requisite power and authority to execute, deliver and perform its obligations under each Loan Document to which it is a party or is otherwise bound, all of which have been duly authorized by all necessary action, and are not in contravention of law or the terms of any Loan Party’s organizational or other governing documents.

3.3 Title to Property. Each Loan Party has good title to all property and assets purported to be owned by it, including those assets identified on the Financial Statements most recently delivered by Borrowers to Bank, subject to the Permitted Encumbrances.

3.4 Encumbrances. There are no Liens on, and no financing statements on file with respect to, any of the property or assets of any Loan Party, except for Permitted Encumbrances and any Liens or financing statements in favor of Bank.

Further, no Loan Party knows of any additional assessments in respect of any such taxes and related liabilities.

3.8 Enforceability of Agreement and Loan Documents. Each Loan Document has been duly executed and delivered by duly authorized officer(s) or other representative(s) of each Loan Party that is a party thereto, and constitutes the valid and binding obligations of each such Loan Party, enforceable in accordance with their respective terms, except to the extent that enforcement thereof may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting the enforcement of creditors' rights generally at the time in effect.

3.9 Non-contravention. The execution, delivery and performance by each Loan Party of the Loan Documents to which such Loan Party is a party or otherwise bound, are not in contravention of the terms of any indenture, agreement or undertaking to which any such Loan Party is a party or by which it is bound, except to the extent that such terms have been waived or that failure to comply with any such terms would not have a Material Adverse Effect.

3.10 Actions, Suits, Litigation or Proceedings. Except as shown on Schedule 3.10, there is no Material Litigation, and, to the best knowledge of each Borrower, no Loan Party is under investigation by, or is operating under any restrictions imposed by, any Governmental Authority.

3.11 Compliance with Laws. To the best knowledge of each Borrower, each Loan Party has complied with all applicable Governmental Requirements, including, without

limitation, Environmental Laws, to the extent that failure to so comply could have a Material Adverse Effect.

Except as have been previously obtained or as otherwise expressly provided in this Agreement, no authorization, consent, approval license, qualification or formal exemption from, nor any filing, declaration or registration with, any Governmental Authority and no material authorization, consent or approval from any other Person, is required in connection with the execution, delivery and performance by each Loan Party of any Loan Document to which it is a party. All such authorizations, consents, approvals, licenses, qualifications, exemptions, filings, declarations and registrations which have previously been obtained or made, as the case may be, are in full force and effect and are not the subject of any attack, or to the best knowledge of each Borrower, any threatened attack, in any material respect, by appeal, direct proceeding or otherwise.

3.13 Contracts, Agreements and Leases. To each Borrower's best knowledge and after due inquiry, no Loan Party is in default (beyond any applicable period of grace or cure) in complying with any provision of any material contract, agreement, indenture, lease or instrument to which it is a party or by which it or any of its properties or assets are bound, where such default would have a Material Adverse Effect. To each Borrower's knowledge, each such material contract, commitment, undertaking, agreement, indenture and instrument is in full force and effect and is valid and legally binding.

3.14 ERISA. Except as shown on Schedule 3.14, no Loan Party maintains or contributes to any employee benefit plan subject to Title IV of ERISA. Furthermore, no Loan Party has incurred any accumulated funding deficiency within the meaning of ERISA or incurred any liability to the PBGC in connection with any employee benefit plan established or maintained by such Loan Party, and no reportable event or prohibited transaction, as defined in ERISA, has occurred with respect to such plans.

3.15 No Investment Company. No Loan Party is an "investment company" within the meaning of the Investment Company Act of 1940, as amended, nor is any Loan Party "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

3.16 No Margin Stock. No Loan Party is engaged principally, or as one of its important activities, directly or indirectly, in the business of extending credit for the purpose of purchasing or carrying margin stock, and none of the proceeds of the Loan will be used, directly or indirectly, to purchase or carry any margin stock or made available by any Loan Party in any manner to any other Person to enable or assist such Person in purchasing or carrying margin stock, or otherwise used or made available for any other purpose which might violate the provisions of Regulations G, T, U, or X of the Board of Governors of the Federal Reserve System.

3.17 Environmental Representations.

(a) No Loan Party has received any notice of any violation of any Environmental Law(s); and no Loan Party is a party to any litigation or administrative

proceeding, nor, so far as is known by any Borrower, is any litigation or administrative proceeding threatened against any Loan Party which, in any event, (i) asserts or alleges that any Loan Party violated any Environmental Law(s), (ii) asserts or alleges that any Loan Party is required to clean up, remove or take any other remedial or response action due to the disposal, depositing, discharge, leaking or other release of any Hazardous Materials, or (iii) asserts or alleges that any Loan Party is required to pay all or a portion of any past, present or future clean-up, removal or other remedial or response action which arises out of or is related to the disposal, depositing, discharge, leaking or other release of any Hazardous Materials by any Loan Party, and which in each case of (i)-(iii), either singularly or in the aggregate, could have a Material Adverse Effect.

(b) To Borrowers' knowledge, there are no conditions existing currently which could subject any Loan Party to damages, penalties, injunctive relief or clean-up costs under any applicable Environmental Law(s), or which require, or are likely to require, clean-up, removal, remedial action or other response pursuant to any applicable Environmental Law(s) by any Loan Party, and which, in any event, either singularly or in aggregate, could have a Material Adverse Effect.

(c) No Loan Party is subject to any judgment, decree, order or citation related to or arising out of any applicable Environmental Law(s), which, either singularly or in the aggregate, could have a Material Adverse Effect; and, to Borrowers' knowledge, no Loan Party has been named or listed as a potentially responsible party by any Governmental Authority in any matter arising under any applicable Environmental Law(s), except as disclosed in Schedule 3.17, and, in the event that any such matters are disclosed in said Schedule 3.17 they will not, either singularly or in the aggregate, have a Material Adverse Effect.

(d) Each Loan Party has all permits, licenses and approvals required under applicable Environmental Laws, where the failure to so obtain or maintain any such permits, licenses or approvals could have a Material Adverse Effect.

3.18 Accuracy of Information. The Financial Statements previously furnished to Bank have been prepared in accordance with GAAP and fairly present the financial condition of Borrowers and, as applicable, the consolidated financial condition of Borrowers and such other Person(s) as such Financial Statements purport to present, and the results of their respective operations as of the dates and for the periods covered thereby; and since the date(s) of said Financial Statements, there has been no material adverse change in the financial condition of Borrowers or any other Person covered by such Financial Statements. No Loan Party, nor any such other Person has any material contingent obligations, liabilities for taxes, long-term leases or long-term commitments not disclosed by, or reserved against in, such Financial Statements. Each Loan Party is solvent, able to pay its respective debts as they mature, has capital sufficient to carry on its business and has assets the fair market value of which exceed its liabilities, and no Loan Party will be rendered insolvent, under-capitalized or unable to pay debts generally as they become due by the execution or performance of any Loan Document to which it is a party or by which it is otherwise bound.

3.19 Equity Ownership. Stratus' entire issued and outstanding capital stock consists of 8,061,106 shares of common stock, \$.01 par value; and the names of all Persons who own beneficially five percent (5%) or more of such shares, together with the amount of such ownership, are set forth in Schedule 3.19, Part 1 attached hereto. All of the membership interests in Amarra are owned as set forth in Schedule 3.19, Part 6 attached hereto. To the extent that any such partner is a corporation (other than Stratus or Austin), limited liability company or partnership (other than Circle C and Amarra), similar information with respect to the beneficial and record owners of all equity ownership interests in each such entity is set forth in Schedule 3.19, Part 3. There are no outstanding options, warrants or rights to purchase, nor any agreement for the subscription, purchase or acquisition of, any equity ownership interests of any Loan Party, except described in Schedule 3.19, Part 5.

3.20 Business Loan. The Loan is a business loan transaction in the stated amount solely for the purpose of carrying on the businesses of Borrowers and none of the proceeds of the Loan will be used for the personal, family, household or agricultural purposes of any Borrower.

3.21 Relationship. The relationship between each Borrower and Bank is solely that of borrower and lender, and Bank has no fiduciary or other special relationship with any Borrower or any other Loan Party, and no term or condition of any of the Loan Documents shall be construed so as to deem the relationship between any Borrower or any other Loan Party and Bank to be other than that of borrower and lender.

3.22 Experience. The principals of each Borrower are knowledgeable businessmen with experience in real estate transactions and real estate financing. In all of their transactions with Bank, each Borrower and its principals have been represented by (or have had the opportunity to be represented by) legal counsel independent of Bank and independent of counsel for Bank.

3.23 Compliance with Laws. 3.24 Access. Access by vehicles to the Land exists over paved roadways that have been completed, dedicated to the public use and accepted by the appropriate Governmental Authority.

3.25 Statements. No certificate, statement, report or other information delivered heretofore, concurrently herewith or hereafter by any Loan Party to Bank in connection herewith, or in connection with any transaction contemplated hereby, contains or will contain any untrue statement of a material fact or fails to state any material fact necessary to keep the statements contained therein from being materially misleading, and same were true, complete and accurate as of the date hereof in all material respects.

3.26 Disclaimer of Permanent Financing. Each Borrower acknowledges and agrees that Bank has not made any commitments, either express or implied, to extend the terms of the Loan past its stated maturity date or to provide Borrowers with any permanent financing, except to the extent, if any, that the same is expressly stated in this Agreement and the other Loan Documents.

3.27 Not a Broker Or Dealer. No Loan Party is a “broker” or a “dealer” within the meaning of the Securities Exchange Act of 1934, as amended from time to time, and any rules or regulations promulgated thereunder.

#### **SECTION 4. AFFIRMATIVE COVENANTS**

Furnish Bank, at Borrowers' expense, upon Bank's request and in form reasonably satisfactory to Bank, and execute and deliver or cause to be executed and delivered, such additional pledges, assignments, mortgages, lien instruments or other security instruments, consents, acknowledgments, subordinations and financing statements covering any or all of the Mortgaged Property pledged, assigned, mortgaged or encumbered pursuant to any Loan Document, of every nature and description, whether now owned or hereafter acquired by the Person providing such Mortgaged Property, together with such other documents or instruments as Bank may require to effectuate more fully the express purposes of any Loan Document.

4.6 Compliance with Leases. Comply with all material terms and conditions of the Leases, if any, and all other lease or rental agreements covering any premises or property (real or personal) wherein any of the Mortgaged Property is or may be located, or covering any of the other material personal or real property now or hereafter owned, leased or otherwise used by any Loan Party in the conduct of its business, and any Governmental Requirement, except where the failure to so comply could not cause a Material Adverse Effect.

4.7 Indemnification. Indemnify, defend and save Bank harmless from any and all claims, losses, costs, damages, liabilities, obligations and expenses, including, without limitation,

reasonable attorneys' fees, incurred by Bank by reason of any Default or Event of Default, in defending or protecting the Liens which secure or purport to secure all or any portion of the Indebtedness, whether existing under any Loan Document or otherwise or the priority thereof, any bodily injury or death or property damage occurring in or upon or in the vicinity of the Mortgaged Property through any cause whatsoever or asserted against them on account of any act performed or omitted to be performed hereunder or on account of any transaction arising out of or in any way connected with the Mortgaged Property or with this Agreement or any other Loan Document, or in enforcing the obligations of any Borrower or any other Person under or pursuant to any Loan Document, or in the prosecution or defense of any action or proceeding concerning any matter growing out of or connected with the Mortgaged Property or any Loan Document, **INCLUDING ANY CLAIMS, LOSSES, COSTS, DAMAGES, LIABILITIES, OBLIGATIONS, AND EXPENSES RESULTING FROM BANK'S OWN NEGLIGENCE, EXCEPT AND TO THE EXTENT, BUT ONLY TO THE EXTENT, CAUSED BY BANK'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** Without limiting in any manner any of the foregoing, it is specifically agreed that the obligations of Borrowers under this section shall extend to any and all claims, losses, costs, damages, liabilities, obligations and expenses, including, without limitation, reasonable attorneys' fees, incurred by Bank by reason that the legal description of any of the Mortgaged Property in any Loan Document is incorrect in any respect or because the Liens of any of the Deeds of Trust are other than first and prior Liens, except to the extent any such Deed of Trust expressly recognizes that it is not a first and prior Lien.

4.8 Governmental and Other Approvals. To the extent necessary to be in compliance, comply with all Governmental Requirements in a timely matter and apply for, obtain and/or maintain in effect, as applicable, all authorizations, consents, approvals, licenses, qualifications, exemptions, filings, declarations, and registrations (whether with any Governmental Authority, securities exchange or otherwise) which are necessary in connection with the execution, delivery and/or performance by any Loan Party of any Loan Document to which it is a party, specifically including, but not limited to, the entitlements necessary to develop the Mortgaged Property.

4.9 Insurance. Each Borrower shall obtain and maintain or cause to be obtained and maintained at such Borrower's sole expense with respect to the portions of the Mortgaged Property owned by it: (a) all-risk property insurance with respect to all insurable Mortgaged Property, if any, against loss or damage by fire, lightening, windstorm, explosion, hail, tornado and such hazards as are presently included in so-called "all-risk" coverage and against such other insurable hazards as Bank may reasonably require, in an amount not less than 100% of the full replacement cost, including the cost of debris removal, without deduction for depreciation and sufficient to prevent Borrowers or Bank from becoming a coinsurer; (b) if and to the extent any insurable Improvements are in a special flood hazard area, a flood insurance policy in an amount equal to the lesser of the principal balance of the Indebtedness or the maximum amount available or the replacement cost of the insurable Mortgaged Property; (c) commercial general public liability insurance, on an "occurrence" basis, for the benefit of Borrowers with Bank named as loss payee in respect to the Land and Improvements; (d) statutory worker's compensation insurance with respect to any work on or about the Mortgaged Property; and (e) such other insurance on the insurable Mortgaged Property as may from time to time be reasonably required by Bank and against other insurable hazards or casualties which at the time are commonly insured against in the case of premises similarly situated, due regard being given to the height,

type, construction, location, use and occupancy of buildings and improvements. All insurance policies shall be issued and maintained by insurers, in amounts, with deductibles, and in form reasonably satisfactory to Bank, and shall require not less than fifteen (15) days' prior written notice to Bank of any cancellation or material change of coverage. All insurance policies maintained, or caused to be maintained, by a Borrower with respect to any of the Mortgaged Property shall provide that each such policy shall be primary without right of contribution from any other insurance that may be carried by such Borrower or Bank and that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. If any insurer which has issued a policy of title, hazard, liability or other insurance required pursuant to this Agreement or any other Loan Document becomes insolvent or the subject of any bankruptcy, receivership or similar proceeding or if Bank, in good faith, believes that the financial responsibility of such insurer is or becomes inadequate, the applicable Borrower shall, in each instance, promptly, upon the request of Bank and at such Borrower's expense, obtain and deliver to Bank a certificate of insurance issued by another insurer, which insurer and policy meet the requirements of this Agreement or such other Loan Document, as the case may be and shall furnish a copy of the policy upon Bank's request. Without limiting the discretion of Bank with respect to required endorsements to insurance policies, all such policies for loss of or damage to the Mortgaged Property shall contain a standard mortgage clause (without contribution) naming Bank as mortgagee with loss proceeds payable to Bank notwithstanding (i) any act, failure to act or negligence of or violation of any warranty, declaration or condition contained in any such policy by any named insured; (ii) the occupation or use of the Mortgaged Property for purposes more hazardous than permitted by the terms of any such policy; (iii) any foreclosure or other similar action by Bank under the Loan Documents; or (iv) any change in title to or ownership of the Mortgaged Property or any portion thereof, such proceeds to be held for application as provided in the Loan Documents. The originals of each initial insurance policy (or to the extent permitted by Bank, a copy of the original policy and a satisfactory certificate of insurance) shall be delivered to Bank at the time of execution of this Agreement, with no delinquent premium payments, and each renewal certificate shall be delivered to Bank prior to the expiration of the policy it renews or replaces with no delinquent premium payments; provided that all insurance premiums shall be prepaid on an annual basis. Borrower shall pay all premiums on policies required hereunder as they become due and payable. If any loss occurs at any time when Borrower has failed to perform any Borrower's covenants and agreements in this Paragraph, Bank shall nevertheless be entitled to the benefit of all insurance covering the loss and held by or for all Borrowers, to the same extent as if it had been made payable to Bank. Upon any foreclosure hereof or transfer of title to the Mortgaged Property in extinguishment of the whole or any part of the Indebtedness, all of Borrowers' right, title and interest in and to the insurance policies referred to in this Paragraph (including unearned premiums) and all proceeds payable thereunder shall thereupon vest in the purchaser at foreclosure or other such transferee, to the extent permissible under such policies. Bank shall have the right (but not the obligation) to make proof of loss for, settle and adjust any claim under, and receive the proceeds of, all insurance for loss of or damage to the Mortgaged Property, and the expenses incurred by Bank in the adjustment and collection of insurance proceeds shall be a part of the Indebtedness, shall be due and payable to Bank on demand and shall bear interest from the date paid by Bank until reimbursed at the highest rate of interest applicable to any of the Indebtedness (but not in excess of the highest rate permitted by applicable law). Bank and Bank's employees are each irrevocably appointed attorney-in-fact for

Borrowers and are authorized to adjust and compromise each loss without the consent of Bank, to collect, receive and receipt for all insurance proceeds in the name of Bank and/or Borrowers, and to endorse Borrowers' name upon any check in payment of the loss. Bank shall not be, under any circumstances, liable or responsible for failure to collect or exercise diligence in the collection of any of such proceeds or for the obtaining, maintaining or adequacy of any insurance or for failure to see to the proper application of any amount paid over to any Borrower.

4.11 Environmental Covenants.

(a) Comply with all applicable Environmental Laws in all material respects, including, but not limited to, the demolition of any existing house or other buildings, in accordance with, and to the extent required by, Texas Department of Health Regulations, and maintain all permits, licenses and approvals required under applicable Environmental Laws, where the failure to do so could have a Material Adverse Effect. Further, Borrower acknowledges that certain petroleum hydrocarbons have been released from Exxon and Shell Oil pipelines located on or in the vicinity of the Land, and in the event the subsurface soil affected by such releases on the Land are to be disturbed, Borrower will take such health and safety measures as necessary to protect any person coming into contact with such releases, and all impacted soil resulting from site excavations will be disposed of in accordance with applicable regulations.

(b) Promptly notify Bank, in writing, as soon as any Borrower becomes aware of any condition or circumstance which makes any of the environmental representations or warranties set forth in this Agreement or any other Loan Document incomplete, incorrect or inaccurate in any material respect as of any date; and promptly provide to Bank, immediately upon receipt thereof, copies of any material correspondence, notice, pleading, citation, indictment, complaint, order, decree, or other document from any source asserting or alleging a violation of any Environmental Laws by any Loan Party, or of any circumstance or condition which requires or may require, a financial contribution by any Loan Party, or a clean-up, removal, remedial action or other response by or on behalf of any Loan Party, under applicable Environmental Law(s), or which seeks damages or civil, criminal or punitive penalties from any Loan Party or any violation or alleged violation of Environmental Law(s).

(c) Borrower hereby agrees to indemnify, defend and hold Bank, and any of Bank's past, present and future officers, directors, shareholders, employees, representatives and consultants, harmless from any and all claims, losses, damages, suits, penalties, costs, liabilities, obligations and expenses (including, without limitation, reasonable legal expenses and attorneys' fees, whether inside or outside counsel is used) incurred or arising out of any claim, loss or damage of any property, injuries to or death of any persons, contamination of or adverse effects on the environment, or other violation of any applicable Environmental Law(s), in any case, caused by any Loan Party or in any way related to any property owned or operated by any Loan Party or due to any acts of any Loan Party or any of its officers, directors, shareholders, employees, consultants and/or representatives, **INCLUDING ANY CLAIMS, LOSSES, DAMAGES, SUITS, PENALTIES, COSTS, LIABILITIES, OBLIGATIONS OR EXPENSES, RESULTING FROM BANK'S OWN NEGLIGENCE; PROVIDED HOWEVER, THAT THE FOREGOING INDEMNIFICATION SHALL NOT BE APPLICABLE, AND BORROWER SHALL NOT BE LIABLE FOR ANY SUCH CLAIMS, LOSSES, DAMAGES, SUITS, PENALTIES, COSTS, LIABILITIES, OBLIGATIONS OR EXPENSES, TO THE EXTENT (BUT ONLY TO THE EXTENT) THE SAME ARISE OR RESULT FROM ANY GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BANK OR ANY OF ITS AGENTS OR EMPLOYEES.**

(i) If any Loan Document shall be terminated, revoked, or otherwise rendered void or unenforceable, in any case, without Bank’s prior written consent and Borrower fails to re-execute same within five (5) days of written notice requesting same.

(j) Any Borrower shall dissolve, terminate or liquidate, or merge with or be consolidated into any other entity without Bank’s prior written consent.

(k) Without the Bank’s prior written consent, any Borrower creates, places, or permits to be created or placed, or through any act or failure to act, acquiesces in the placing of, or allows to remain, any Lien with respect to the Mortgaged Property, or any portion thereof, other than the Permitted Encumbrances and, in the case of non-consensual Liens, such Borrower fails to cure same or bond around such lien in accordance with applicable Governmental Requirements and otherwise in a manner acceptable to Bank within forty-five (45) days from the date incurred.

(l) Except as otherwise expressly permitted under the Loan Documents, any Borrower sells, conveys, transfers or assigns all or any portion of the Mortgaged Property other than to a Loan Party and the Mortgaged Property remains subject to the Lien in favor of the Bank.

(m) There is a transfer, sale, assignment or conveyance of any beneficial interest in any Borrower or any entity that directly or indirectly holds a beneficial interest in any Borrower, except for Permitted Dispositions.

(n) Any Borrower abandons all or any portion of the Mortgaged Property.

(o) Bank deems itself insecure, believing in good faith that the prospect of payment or performance of any of the Indebtedness is materially impaired.

(p) The failure of Borrowers to deposit with Bank any required Borrower's Deposit within ten (10) days after Bank shall have made demand for such a Borrower's Deposit.

6.2 Remedies Upon Event of Default. Upon the occurrence and at any time during the existence or continuance of any Event of Default, but without impairing or otherwise limiting the Bank's right to demand payment of all or any portion of the Indebtedness which is payable on demand, at Bank's option, Bank may give notice to Borrowers declaring all or any portion of the Indebtedness remaining unpaid and outstanding, whether under the Note or otherwise, to be due and payable in full without presentation, demand, protest, notice of dishonor, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby expressly waived, whereupon all such Indebtedness shall immediately become due and payable. Furthermore, upon the occurrence of a Default or Event of Default and at any time during the existence or continuance of any Default or Event of Default, but without impairing or otherwise limiting the right of Bank, if reserved under any Loan Document, to make or withhold financial accommodations at its discretion, to the extent not yet disbursed, any commitment by Bank to make any further Advances to Borrowers or issue any further Letters of Credit for any Borrower's account under this Agreement shall automatically terminate; provided, should such Default or Event of Default be cured to Bank's satisfaction, Bank may, but shall be under no obligation to, reinstate any such commitment by written notice to Borrowers. Notwithstanding the foregoing, in the case of an Event of Default under Section 6.1(i), and notwithstanding the lack of any notice, demand or declaration by Bank, the entire Indebtedness remaining unpaid and outstanding shall become automatically due and payable in full, and any commitment by Bank to make any further Advances to Borrowers or issue any further Letters of Credit for any Borrower's account shall be automatically and immediately terminated, without any requirement of notice or demand by Bank upon Borrowers, each of which are hereby expressly waived by Borrowers. Bank may, without waiving any Default or Event of Default, advance Loan proceeds to correct Borrowers' violation giving rise to the Event of Default. Any Loan proceeds so advanced will either, at Bank's option, be evidenced by the Note or constitute Indebtedness of Borrowers to Bank payable on demand, bearing interest at the Default Rate from the date advanced by Bank. All such demand indebtedness will be a part of the Indebtedness and will be secured by the liens and security interests of the Loan Documents. Each Loan Party that is a partnership agrees that Bank is not required to comply with Section 3.05(d) of the Texas Revised

Partnership Act and agrees that Bank may proceed directly against one or more general (but not limited) partners or their property without first seeking satisfaction from partnership property. The foregoing rights and remedies are in addition to any other rights, remedies and privileges Bank may otherwise have or which may be available to it, whether under this Agreement, any other Loan Document, by law, or otherwise.

6.3 Setoff. In addition to any other rights or remedies of Bank under any Loan Document, by law or otherwise, upon the occurrence and during the continuance or existence of any Event of Default, Bank may, at any time and from time to time, without notice to Borrowers (any requirements for such notice being expressly waived by Borrowers), setoff and apply against any or all of the Indebtedness (whether or not then due), any or all deposits (general or special, time or demand, provisional or final), including, without limitation, any Borrower's Deposit, at any time held by Borrowers and other indebtedness at any time owing by Bank to or for the credit or for the account of Borrowers, and any property of Borrowers, from time to time in possession or control of Bank, irrespective of whether or not Bank shall have made any demand hereunder or for payment of the Indebtedness and although such obligations may be contingent or unmatured, and regardless of whether any Mortgaged Property then held by Bank is adequate to cover the Indebtedness. The rights of Bank under this Section are in addition to any other rights and remedies (including, without limitation, other rights of setoff) which Bank may otherwise have. Borrowers hereby grant Bank a Lien on and security interest in all such deposits, indebtedness and other property as additional collateral for the payment and performance of the Indebtedness.

6.4 Waiver of Certain Laws. To the extent permitted by applicable law, Borrowers hereby agree to waive, and do hereby absolutely and irrevocably waive and relinquish, the benefit and advantage of any valuation, stay, appraisal, extension or redemption laws now existing or which may hereafter exist, which, but for this provision, might be applicable to any sale made under the judgment, order or decree of any court, on any claim for interest on the Note, or to any security interest or other Lien contemplated by or granted under or in connection with this Agreement or the Indebtedness.

6.5 Waiver of Defaults. No Default or Event of Default shall be waived by Bank except in a written instrument specifying the scope and terms of such waiver and signed by an authorized officer of Bank, and such waiver shall be effective only for the specific time(s) and purpose(s) given. No single or partial exercise of any right, power or privilege hereunder, nor any delay in the exercise thereof, shall preclude other or further exercise of Bank's rights. No waiver of any Default or Event of Default shall extend to any other or further Default or Event of Default. No forbearance on the part of Bank in enforcing any of Bank's rights or remedies under any Loan Document shall constitute a waiver of any of its rights or remedies. Borrowers expressly agree that this Section may not be waived or modified by Bank by course of performance, estoppel or otherwise.

6.6 Receiver. In any action or suit to foreclose upon any of the Mortgaged Property, Bank shall be entitled, without notice or consent, and completely without regard to the adequacy of any security for the Indebtedness, to the appointment of a receiver of the business and premises in question and of the rents and profits derived therefrom. This appointment shall be in addition to any other rights, relief or remedies afforded Bank. Such receiver, in addition to any

other rights to which he shall be entitled, shall be authorized to sell, foreclose or complete foreclosure on Mortgaged Property for the benefit of Bank, pursuant to provisions of applicable law.

6.7 Discretionary Credit and Credit Payable Upon Demand. To the extent that any of the Indebtedness shall, at anytime, be payable upon demand, nothing contained in this Agreement, or any other Loan Document, shall be construed to prevent Bank from making demand, without notice and with or without reason, for immediate payment of all or any part of such Indebtedness at any time or times, whether or not a Default or Event of Default has occurred or exists. In the event that such demand is made in accordance with the Loan Documents upon any portion of the Indebtedness and Borrower fails to meet any such demand within any applicable cure periods, the Bank, at its election, may terminate any commitment by Bank to make any further Advances to Borrowers or issue any further Letters of Credit for any Borrower's account under this Agreement or otherwise. Furthermore, to the extent any Loan Document authorizes the Bank, at its discretion, to make or to decline to make financial accommodations to the Borrowers, nothing contained in this Agreement or any other Loan Document shall be construed to limit or impair such discretion or to commit or otherwise obligate the Bank to make any such financial accommodation.

6.8 Application of Proceeds of Mortgaged Property. Notwithstanding anything to the contrary set forth in any Loan Document, during the existence of any Event of Default, the proceeds of any of the Mortgaged Property, together with any offsets, voluntary payments, and any other sums received or collected in respect of the Indebtedness, may be applied in such order and manner as determined by Bank in its sole and absolute discretion.

## **SECTION 7.BANK'S DISCLAIMERS - BORROWERS' INDEMNITIES**

7.1 No Obligation by Bank. Bank has no liability or obligation whatsoever or howsoever in connection with any of the Mortgaged Property, and has no obligation except to disburse the proceeds of the Loan as herein agreed.

7.2 No Obligation by Bank to Operate. Any term or condition of any of the Loan Documents to the contrary notwithstanding, Bank shall not have, and by its execution and acceptance of this Agreement hereby expressly disclaims, any obligation or responsibility for the management, conduct or operation of the business and affairs of any Loan Party. Any term or condition of the Loan Documents which permits Bank to disburse funds, whether from the proceeds of the Loan or otherwise, or to take or refrain from taking any action with respect to any Loan Party, the Mortgaged Property or any other collateral for repayment of the Loan, shall be deemed to be solely to permit Bank to audit and review the management, operation and conduct of the business and affairs of any Loan Party, and to maintain and preserve the security given by Borrowers to Bank for the Loan, and may not be relied upon by any other person. Further, Bank shall not have, has not assumed and by its execution and acceptance of this Agreement hereby expressly disclaims any liability or responsibility for the payment or performance of any indebtedness or obligation of any Loan Party and no term or condition of the Loan Documents, shall be construed otherwise. Borrowers, jointly and severally, hereby indemnify and agree to hold Bank harmless from and against any cost, expense or liability incurred or suffered by Bank as a result of any assertion or claim of any obligation or

responsibility of Bank for the management, operation and conduct of the business and affairs of any Borrower or any other Loan Party, or as a result of any assertion or claim of any liability or responsibility of Bank for the payment or performance of any Indebtedness or obligation of any Borrower or any other Loan Party.

7.3 Indemnity by Borrowers. Borrowers, jointly and severally, hereby indemnify Bank and each affiliate thereof and their respective officers, directors, employees, attorneys and agents from, and holds each of them harmless against, any and all losses, liabilities, claims, damages, costs, and expenses to which any of them may become subject, insofar as such losses, liabilities, claims, damages, costs, and expenses arise from or relate to any of the Loan Documents or any of the transactions contemplated thereby or from any investigation, litigation, or other proceeding, including, without limitation, any threatened investigation, litigation, or other proceeding related thereto relating to any of the foregoing, **INCLUDING WITHOUT LIMITATION, ANY CLAIMS, LOSSES, COSTS, DAMAGES, LIABILITIES, OBLIGATIONS, AND EXPENSES RESULTING FROM BANK'S OWN NEGLIGENCE, EXCEPT AND TO THE EXTENT, BUT ONLY TO THE EXTENT, CAUSED BY BANK'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** Without intending to limit the remedies available to Bank with respect to the enforcement of its indemnification rights as stated herein or as stated in any Loan Document, in the event any claim or demand is made or any other fact comes to the attention of Bank in connection with, relating or pertaining to, or arising out of the transactions contemplated by this Agreement, which Bank reasonably believes might involve or lead to some liability of Bank, Borrowers shall, immediately upon receipt of written notification of any such claim or demand, assume in full the personal responsibility for and the defense of any such claim or demand and pay in connection therewith any loss, damage, deficiency, liability or obligation, including, without limitation, legal fees and court costs incurred in connection therewith. In the event of court action in connection with any such claim or demand, Borrowers shall assume in full the responsibility for the defense of any such action and shall immediately satisfy and discharge any final decree or judgment rendered therein. Bank may, in its sole but reasonable discretion, make any payments sustained or incurred by reason of any of the foregoing; and Borrowers shall immediately upon receipt of notice repay to Bank, in cash, the amount of such payment, with interest thereon at the Maximum Lawful Rate from the date of such payment. Bank shall have the right to join Borrowers, or any of them, as a party defendant in any legal action brought against Bank, and Borrowers hereby consent to the entry of an order making Borrowers, or any of them, a party defendant to any such action.

7.4 No Agency. Nothing herein shall be construed as making or constituting Bank as the agent of any Loan Party in making payments pursuant to any construction contracts or subcontracts entered into by any Loan Party for construction of the Improvements or otherwise. The purpose of all requirements of Bank hereunder is solely to allow Bank to check and require documentation (including, but not limited to, lien waivers) sufficient to protect Bank and the Loan contemplated hereby.

7.5 Assignment of Reimbursables and Assignment of Partnership Interests. As additional security for the Loan, Borrowers or certain Loan Parties have transferred and assigned to Bank all of Borrowers' right, title and interest in and to certain reimbursements and credits due Borrowers from various municipal utility districts and cities, certain management and other fees, and certain partnership interests, all as more fully set forth in the Assignment of

Reimbursables and Other Fees and in the Assignment of Partnership Interests now or hereafter executed by certain of the Borrowers (collectively, the “**Assignments**”). Any default which remains uncured beyond any grace or cure period under the Assignments shall also constitute an Event of Default hereunder. Said Assignments shall inure to the benefit of Bank and its successors and assigns, any purchaser upon foreclosure of any of the Deeds of Trust, any receiver in possession of the Mortgaged Property and any corporation affiliated with Bank which assumes Bank’s rights and obligations under this Agreement.

## **SECTION 8.MISCELLANEOUS**

8.1 Taxes and Fees. Unless otherwise prohibited by applicable law, should any tax (other than a tax based upon the net income of Bank) or recording or filing fee become payable in respect of any Loan Document, any of the Mortgaged Property, any of the Indebtedness or any amendment, modification or supplement hereof or thereof, Borrowers agree to pay such taxes (or reimburse Bank therefor upon demand for reimbursement), together with any interest or penalties thereon, and agrees to hold Bank harmless with respect thereto.

8.2 Governing Law. Each Loan Document shall be deemed to have been delivered in the State of Texas, and shall be governed by and construed and enforced in accordance with the laws of the State of Texas, except to the extent that the Uniform Commercial Code, other personal property law or real property law of another jurisdiction where Mortgaged Property is located is applicable, and except to the extent expressed to the contrary in any Loan Document. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

8.3 Audits of Mortgaged Property; Fees. Bank shall have the right from time to time to audit the Mortgaged Property, provided that such audits will be conducted no more than one (1) time in any calendar year unless an Event of Default has occurred. Borrowers agree to reimburse Bank, on demand, for customary and reasonable fees and costs incurred by Bank for such audits and financial analysis and examination of Borrowers or any other Loan Party performed from time to time.

8.4 Costs and Expenses. Borrowers shall pay Bank, on demand, all costs and expenses, including, without limitation, reasonable attorneys’ fees and legal expenses (whether inside or outside counsel is used), incurred by Bank in perfecting, revising, protecting or enforcing any of its rights or remedies against any Loan Party or any Mortgaged Property, or otherwise incurred by Bank in connection with any Default or Event of Default or the enforcement of the Loan Documents or the Indebtedness. Following Bank’s demand upon Borrowers for the payment of any such costs and expenses, and until the same are paid in full, the unpaid amount of such costs and expenses shall constitute Indebtedness and shall bear interest at the Default Rate.

8.5 Notices. All notices and other communications provided for in any Loan Document (unless otherwise expressly stipulated therein) or contemplated thereby, given

thereunder or required by law to be given, shall be in writing (unless expressly provided to the contrary). If personally delivered, such notices shall be effective when delivered, and in the case of mailing or delivery by overnight courier, such notices shall be effective when placed in an envelope and deposited at a post office or official depository under the exclusive care and custody of the United States Postal Service or delivered to an overnight courier, postage prepaid, in each case addressed to the parties as set forth on the signature page of this Agreement, or to such other address as a party shall have designated to the other in writing in accordance with this Section. In the case of mailing, the mailing shall be by certified or first class mail. Except as specifically set forth to the contrary herein, in a Deed of Trust or in any other Loan Document, the giving of at least five (5) days' notice before Bank shall take any action described in any notice shall conclusively be deemed reasonable for all purposes; provided, that this shall not be deemed to require Bank to give such five (5) days' notice, or any notice, if not specifically required to do so in this Agreement.

8.6 Further Action. Borrowers, from time to time, upon written request of Bank, will promptly make, execute, acknowledge and deliver, or cause to be made, executed, acknowledged and delivered, all such further and additional instruments, and promptly take all such further action as may be reasonably required to carry out the intent and purpose of the Loan Documents, and to provide for the Loan thereunder and payment of the Note, according to the intent and purpose therein expressed.

8.7 Successors and Assigns; Participation. This Agreement shall be binding upon and shall inure to the benefit of Borrowers and Bank and their respective successors and assigns. The foregoing shall not authorize any assignment or transfer by any Borrower of any of its respective rights, duties or obligations hereunder, such assignments or transfers being expressly prohibited. Bank, however, may freely assign, whether by assignment, participation or otherwise, its rights and obligations hereunder, and is hereby authorized to disclose to any such assignee or participant (or proposed assignee or participant) any financial or other information in its knowledge or possession regarding any Loan Party or the Indebtedness.

8.8 Indulgence. No delay or failure of Bank in exercising any right, power or privilege hereunder or under any of the Loan Documents shall affect such right, power or privilege, nor shall any single or partial exercise thereof preclude any further exercise thereof, nor the exercise of any other right, power or privilege available to Bank. The rights and remedies of Bank hereunder are cumulative and are not exclusive of any rights or remedies of Bank.

8.9 Amendment and Waiver. No amendment or waiver of any provision of any Loan Document, or consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by Bank, and then such waiver or consent shall be effective only in the specific instance(s) and for the specific time(s) and purpose(s) for which it is given.

8.10 Severability. In case any one or more of the obligations of any Loan Party under any Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining obligations of such Loan Party shall not in any way be affected or impaired thereby, and such invalidity, illegality or unenforceability in one

jurisdiction shall not affect the validity, legality or enforceability of the obligations of such Loan Party under any Loan Document in any other jurisdiction.

8.11 Headings and Construction of Terms. The headings of the various subsections hereof are for convenience of reference only and shall in no way modify or affect any of the terms or provisions hereof. Where the context herein requires, the singular number shall include the plural, and any gender shall include any other gender.

8.12 Independence of Covenants. Each covenant hereunder shall be given independent effect so that if a particular action or condition is not permitted by any such covenant, the fact that it would be permitted by an exception to, or would be otherwise within the limitations of, another covenant shall not avoid the occurrence of any Default or Event of Default.

8.13 Reliance on and Survival of Various Provisions. All terms, covenants, agreements, indemnities, representations and warranties of any Loan Party made in any Loan Document, or in any certificate, report, financial statement or other document furnished by or on behalf of any Loan Party in connection with any Loan Document, shall be deemed to have been relied upon by Bank, notwithstanding any investigation heretofore or hereafter made by Bank or on Bank's behalf, and those covenants and agreements of Borrowers set forth in Sections 4.7, 4.11, 4.18, 7.2 and 7.3 hereof (together with any other indemnities of Borrowers contained elsewhere in any Loan Document) shall survive the termination of this Agreement and the repayment in full of the Indebtedness.

8.14 Effective Upon Execution. This Agreement shall become effective upon the execution hereof by Bank and Borrowers, and shall remain effective until the Indebtedness under this Agreement and the Note and the related Loan Documents shall have been repaid and discharged in full and no commitment to extend any credit hereunder (whether optional or obligatory) remains outstanding.

8.15 No Third Party Beneficiaries. The benefits of this Agreement shall not inure to any third party. This Agreement shall not be construed to make or render Bank liable to any materialmen, subcontractors, contractors, laborers or others for goods and materials supplied or work and labor furnished in connection with any of the Mortgaged Property or for debts or claims accruing to any such persons or entities against any Borrower. Bank shall not be liable for the manner in which any Advances under this Agreement maybe applied by Borrowers. Notwithstanding anything contained in the Loan Documents, or any conduct or course of conduct by the parties hereto, before or after signing the Loan Documents, this Agreement shall not be construed as creating any rights, claims or causes of action against Bank, or any of its officers, directors, agents or employees, in favor of any contractor, subcontractor, supplier of labor or materials, or any of their respective creditors, or any other person or entity other than Borrowers. Without limiting the generality of the foregoing, Advances made to any Person pursuant to any requests for Advances, whether or not such request is required to be approved by Borrowers, shall not be deemed a recognition by Bank of a third-party beneficiary status of any such person or entity.

8.16 Complete Agreement: Conflicts. The Loan Documents contain the entire agreement of the parties thereto, and none of the parties shall be bound by anything not

expressed in writing. In the event that and to the extent that any of the terms, conditions or provisions of any of the other Loan Documents are inconsistent with or in conflict with any of the terms, conditions or provisions of this Agreement, the applicable terms, conditions and provisions of this Agreement shall govern and control.

THIS AGREEMENT AND THE OTHER “LOAN AGREEMENTS” (AS DEFINED IN SECTION 26.02(A)(2) OF THE TEXAS BUSINESS & COMMERCE CODE, AS AMENDED) REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES, AND THIS AGREEMENT AND THE OTHER WRITTEN LOAN AGREEMENTS MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

8.19 Block 21 Pledge. Stratus has agreed to pledge to Bank, and a grant a security interest to Bank in, Stratus’s right to receive any distributions from the Block 21 Entity, pursuant to the Block 21 Security Agreement. Borrower further covenants and agrees that any distributions received by Stratus or any other Borrower from its investment in the Block 21 Entity shall, after repayment of any amounts due to the senior lender having a lien or security interest on the Block 21 project and/or the Block 21 Entity, be paid to Bank and applied as set forth in Section 2.19 of Addendum 2. Notwithstanding anything to the contrary contained

herein, Bank acknowledges and agrees that Stratus has pledged its interest in the Block 21 Entity to the senior lender of the Block 21 project and is not required to pledge that interest to Bank.

#### 8.20 Contributions and Waivers.

(a) As a result of the transactions contemplated by this Agreement and the other Loan Documents, each Borrower will benefit, directly and indirectly, from each Borrower's obligation to pay the Indebtedness and perform its obligations hereunder and under the other Loan Documents (collectively, the "**Obligations**") and in consideration therefore each Borrower desires to enter into an allocation and contribution agreement among themselves as set forth in this Section to allocate such benefits among themselves and to provide a fair and equitable agreement to make contributions among each of Borrowers in the event any payment is made by any individual Borrower hereunder to Bank (such payment being referred to herein as a "**Contribution,**" and for purposes of this Section, includes any exercise of recourse by Bank against any Property of a Borrower and application of proceeds of such Property in satisfaction of such Borrower's obligations, to Bank under the Loan Documents).

(b) Each Borrower shall be liable hereunder with respect to the Obligations only for such total maximum amount (if any) that would not render its Obligations hereunder or under any of the Loan Documents subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of applicable Governmental Requirements.

(c) In order to provide for a fair and equitable contribution among Borrowers in the event that any Contribution is made by an individual Borrower (a "**Funding Borrower**"), such Funding Borrower shall be entitled to a reimbursement Contribution ("**Reimbursement Contribution**") from all other Borrowers for all payments, damages and expenses incurred by that Funding Borrower in discharging any of the Obligations, in the manner and to the extent set forth in this Section.

(d) For purposes hereof, the "**Benefit Amount**" of any individual Borrower as of any date of determination shall be the net value of the benefits to such Borrower and its Affiliates from extensions of credit made by Bank to (i) such Borrower and (ii) to the other Borrowers hereunder and the Loan Documents to the extent such other Borrowers have guaranteed or mortgaged their property to secure the Obligations of such Borrower to Bank.

(e) Each Borrower shall be liable to a Funding Borrower in an amount equal to the greater of (i) the (A) ratio of the Benefit Amount of such Borrower to the total amount of Obligations, multiplied by (B) the amount of Obligations paid by such Funding Borrower, or (ii) ninety-five percent (95%) of the excess of the fair saleable value of the property of such Borrower over the total liabilities of such Borrower (including the maximum amount reasonably expected to become due in respect of contingent liabilities) determined as of the date on which the payment made by a Funding Borrower is deemed made for purposes hereof (giving effect to all payments made by

other Funding Borrowers as of such date in a manner to maximize the amount of such Contributions).

(f) In the event that at any time there exists more than one Funding Borrower with respect to any Contribution (in any such case, the “**Applicable Contribution**”), then Reimbursement Contributions from other Borrowers pursuant hereto shall be allocated among such Funding Borrowers in proportion to the total amount of the Contribution made for or on account of the other Borrowers by each such Funding Borrower pursuant to the Applicable Contribution. In the event that at any time any Borrower pays an amount hereunder in excess of the amount calculated pursuant to this Section above, that Borrower shall be deemed to be a Funding Borrower to the extent of such excess and shall be entitled to a Reimbursement Contribution from the other Borrowers in accordance with the provisions of this Section.

(g) Each Borrower acknowledges that the right to Reimbursement Contribution hereunder shall constitute an asset in favor of Borrower to which such Reimbursement Contribution is owing.

(h) No Reimbursement Contribution payments payable by a Borrower pursuant to the terms of this Section shall be paid until all amounts then due and payable by all of Borrowers to Bank, pursuant to the terms of the Loan Documents, are paid in full in cash. Nothing contained in this Section shall limit or affect in any way the Obligations of any Borrower to Bank under the Loan Documents.

(i) To the extent permitted by applicable Governmental Requirements, each Borrower waives:

(i) any right to require Bank to proceed against any other Borrower or any other Person or to proceed against or exhaust any security held by Bank at any time or to pursue any other remedy in Bank’s power before proceeding against Borrower;

(ii) any defense based upon any legal disability or other defense of any other Borrower, any guarantor of any other Person or by reason of the cessation or limitation of the liability of any other Borrower or any guarantor from any cause other than full payment of all sums payable under the Loan Documents;

(iii) any defense based upon any lack of authority of the officers, directors, partners or agents acting or purporting to act on behalf of any other Borrower or any principal of any other Borrower or any defect in the formation of any other Borrower or any principal of any other Borrower;

(iv) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal;

(v) any defense based upon any failure by Bank to obtain collateral for the indebtedness or failure by Bank to perfect a lien on any collateral;

- (vi) presentment, demand, protest and notice of any kind;
- (vii) any defense based upon any failure of Bank to give notice of sale or other disposition of any collateral to any other Borrower or to any other Person or any defect in any notice that may be given in connection with any sale or disposition of any collateral;
- (viii) any defense based upon any failure of Bank to comply with applicable laws in connection with the sale or other disposition of any collateral, including any failure of Bank to conduct a commercially reasonable sale or other disposition of any collateral;
- (ix) any defense based upon any use of cash collateral under Section 363 of the Bankruptcy Code;
- (x) any defense based upon any agreement or stipulation entered into by Bank with respect to the provision of adequate protection in any bankruptcy proceeding;
- (xi) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Bankruptcy Code;
- (xii) any defense based upon the avoidance of any security interest in favor of Bank for any reason;
- (xiii) any defense based upon any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding, including any discharge of, or bar or stay against collecting, all or any of the obligations evidenced by the Note or owing under any of the Loan Documents;
- (xiv) any defense or benefit based upon Borrower's, or any other party's, resignation of the portion of any obligation secured by the Security Instrument to be satisfied by any payment from any other Borrower or any such party;
- (xv) all rights and defenses arising out of an election of remedies by Bank even though the election of remedies, such as non-judicial foreclosure with respect to security for the Loan or any other amounts owing under the Loan Documents, has destroyed Borrower's rights of subrogation and reimbursement against any other Borrower; and
- (xvi) all rights and defenses that Borrower may have because any of the Indebtedness is secured by real property. This means, among other things (subject to the other terms and conditions of the Loan Documents): (1) Bank may collect from Borrower without first foreclosing on any real or personal property collateral pledged by any other Borrower, and (2) if Bank forecloses on any real property collateral pledged by any other Borrower, (I) the amount of the

Indebtedness may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price and (II) Bank may collect from Borrower even if any other Borrower, by foreclosing on the real property collateral, has destroyed any right Borrower may have to collect from any other Borrower. This is an unconditional and irrevocable waiver of any rights and defenses Borrower may have because any of the Indebtedness is secured by real property; and except as may be expressly and specifically permitted herein, any claim or other right which Borrower might now have or hereafter acquire against any other Borrower or any other Person that arises from the existence or performance of any obligations under the Loan Documents, including any of the following: (i) any right of subrogation, reimbursement, exoneration, contribution, or indemnification; or (ii) any right to participate in any claim or remedy of Bank against any other Borrower or any collateral security therefor, whether or not such claim, remedy or right arises in equity or under contract, statute or common law.

8.21 **USA PATRIOT ACT NOTIFICATION.** The following notification is provided to Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for Borrower: When Borrower opens an account, if Borrower is an individual, Bank will ask for Borrower's name, taxpayer identification number, residential address, date of birth and other information that will allow Bank to identify Borrower, and, if Borrower is not an individual, Bank will ask for Borrower's name, tax identification number, business address, and other information that will allow Bank to identify Borrower. Bank may also ask, if Borrower is an individual, to see Borrower's driver's license or other identifying documents, and, if Borrower is not an individual, to see Borrower's legal organizational documents or other identifying documents.

## ADDENDUM 2

### LOAN TERMS, CONDITIONS AND PROCEDURES ADDENDUM

#### SECTION 1. THE LOAN

1.1 Agreements to Lend. Bank hereby agrees to lend to Borrowers up to but not in excess of the Maximum Loan Amount, and Borrowers hereby agree to borrow such sums from Bank, all upon and subject to the terms and provisions of this Agreement, such sums to be evidenced by the Note; provided, however, in no event shall (i) the aggregate outstanding principal balance of the Loan and the amount of any Letter of Credit Liabilities exceed the Maximum Loan Amount or (ii) the individual limits for the Revolving Loan Tranche, the Letter of Credit Tranche and the Term Loan Tranche exceed the limits for each tranche set forth in the definition of Maximum Loan Amount. Subject to the terms and provisions of this Agreement and the other Loan Documents, principal repaid on the Loan may be reborrowed by Borrowers; *provided, however*, no amounts advanced under the Term Loan Tranche may be reborrowed once repaid. Borrowers' liability for repayment of the interest on account of the Loan shall be limited to and calculated with respect to Loan proceeds actually disbursed to Borrowers pursuant to the terms of this Agreement and the Note and only from the date or dates of such disbursements. Bank may, in Bank's discretion, disburse Loan proceeds by journal entry to pay interest and financing costs and disburse Loan proceeds directly to third parties to pay costs or expenses required to be paid by Borrowers pursuant to this Agreement. Loan proceeds disbursed by Bank by journal entry to pay interest or financing costs, and Loan proceeds disbursed directly by Bank to pay costs or expenses required to be paid by Borrowers pursuant to this Agreement, shall constitute Advances to Borrowers.

1.2 Advances. The proceeds of the Loan shall be disbursed to Borrowers in one or more Advances provided all applicable conditions to Advances for the Loan set forth in this Agreement have been satisfied. Without limiting the foregoing, any Advance requested by Borrowers under the Loans shall be subject to Borrowers' satisfaction of the terms and conditions set forth in this Addendum 2 (including, if applicable, Section 2.17 (Additional Land Acquisitions)) and in particular shall comply with the use of proceeds restrictions set forth in Section 2.4 below. The Initial Advance shall be used to repay all indebtedness outstanding under the Original Credit Agreement on the date of this Agreement.

1.3 Limitation on Advances. Under no circumstances shall Bank be required to disburse any proceeds of the Loan that would cause (i) the aggregate outstanding balance of the Loan plus the Letter of Credit Liabilities at any one time to exceed the Maximum Loan Amount or (ii) the outstanding balance of the Revolving Loan Tranche, the Letter of Credit Tranche and the Term Loan Tranche at any one time to exceed the limits for each tranche set forth in the definition of Maximum Loan Amount.

1.4 Regulatory Restrictions. Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, in no event shall Bank be required to disburse, nor shall Borrowers be entitled to demand that Bank disburse, all or any portion of the Loan if the amounts of the Loan would, in Bank's sole and absolute discretion, cause Bank to exceed the

lending limit to a single borrower under any applicable state or federal law, regulation or ruling. If Bank determines, in its sole and absolute discretion, at any time (including after any portion or all of the Loan has been disbursed) that the transactions evidenced by this Agreement and the other Loan Documents violates such lending limit restriction, then Bank shall have the right to immediately declare the Note to be due and payable and shall thereafter have no further obligations to disburse any further proceeds of the Loan. In such event, Borrowers shall be required to immediately pay all outstanding Indebtedness and shall have no further rights and privileges under this Agreement and the other Loan Documents.

1.5 Repayment of and Interest on Loan. The Indebtedness from time to time outstanding under and evidenced by the Note shall bear interest at the applicable rate per annum set forth in the Note until the occurrence of an Event of Default and thereafter at the Default Rate and shall otherwise be repaid in accordance with the terms of the respective Note. All unpaid principal, accrued and unpaid interest and other amounts owing under the Note shall be due and payable on the Maturity Date. The Bank shall review the Loan each year as of the date which is twelve (12) months prior to the then Maturity Date (the "**Review Date**"), as the Maturity Date may be extended from time to time in order to evaluate whether to offer Borrowers an extension of the Maturity Date. In connection with such review, Bank will notify Borrowers on or about the Review Date of whether the Bank will agree to extend the Maturity Date. The determination of whether to grant a particular 12 month extension option of the Maturity Date hereunder shall be in Bank's sole discretion. In the event that Bank elects to so grant an option to Borrowers to extend the Maturity Date and Borrowers exercise such option, then at Bank's option, Borrowers shall (i) execute an extension agreement in form and substance reasonably acceptable to Bank evidencing such extension, and (ii) provide an endorsement to the Title Policy in connection with such extension.

1.6 Fees.

(a) Commitment Fee. Borrowers shall pay the Commitment Fee to Bank upon the execution of this Agreement and the closing of the Loan as consideration for the issuance of the Loan.

(b) Unused Commitment Fee. Borrowers shall pay to Bank an unused commitment fee in an amount equal to the product of (a) one-eighth of one percent (.125%) per annum multiplied by (b) the difference between (i) the Maximum Loan Amount applicable to the Revolving Loan Tranche and (ii) the aggregate outstanding principal balance of the Revolving Note. Such fee shall be computed on a daily basis and shall be payable quarterly in arrears as of the end of each of each calendar quarters. Bank shall invoice Borrowers for such fees, which invoice shall be due and payable within fifteen (15) days after receipt.

(c) Administration Fee. Borrowers shall pay an annual upfront administration fee to Bank in the amount of \$15,000, which fee shall be due and payable on November 30 of each year thereafter during the term of the Loan.

(d) Letter of Credit Fee. Borrowers shall pay a fee in connection with the issuance or renewal of each Letter of Credit as set forth in Section 3.4(c) of this Addendum 2.

## **SECTION 2.ADVANCES, PAYMENTS, RECOVERIES AND COLLECTIONS**

2.1 Advance Procedure. Except as hereinafter provided, Borrowers may request an Advance by submitting to Bank a Request for Advance by an authorized representative of Borrowers, subject to the following:

(a) each such Request for Advance shall state from whether Borrowers are requesting an Advance under the Revolving Loan Tranche or the Term Loan Tranche and shall include, without limitation, a report setting forth the then current Borrowing Base Limitation substantially in the format attached hereto as Exhibit C, the proposed amount of such Advance and the proposed Disbursement Date, which date must be a Business Day;

(b) a Request for Advance, once communicated to Bank, shall not be revocable by Borrowers;

(c) each Request for Advance, once communicated to Bank, shall constitute a representation, warranty and certification by Borrowers as of the date thereof that:

(i) both before and after the making of such Advance, all of the Loan Documents are and shall be valid, binding and enforceable against each Loan Party, as applicable;

(ii) all terms and conditions precedent to the making of such Advance have been satisfied, and shall remain satisfied through the date of such Advance;

(iii) the making of such Advance will not cause the aggregate principal amount outstanding on the Note plus the Letter of Credit Liabilities to exceed the Maximum Loan Amount;

(iv) no Default or Event of Default shall have occurred or be in existence, and none will exist or arise upon the making of such Advance;

(v) the representations and warranties contained in this Agreement, and the other Loan Documents are true and correct in all material respects and shall be true and correct in all material respects as of the making of such Advance; and

(vi) the Advance will not violate the terms or conditions of any contract, indenture, agreement or other borrowing of any Loan Party.

Bank may elect (but without any obligation to do so) to make an Advance upon the telephonic or facsimile request of Borrowers, provided that Borrowers have first executed and delivered to Bank a Telephone Notice Authorization. If any such Advance based upon a telephonic

or facsimile request is made by Borrowers, Bank may require Borrowers to confirm said telephonic or facsimile request in writing by delivering to Bank, on or before 11:00 a.m. (Dallas, Texas time) on the next Business Day following the Disbursement Date of such Advance, a duly executed written Request for Advance, and all other provisions of this Section 2.1 shall be applicable with respect to such Advance. In addition, Borrowers may authorize the Bank to automatically make Advances pursuant to such other written agreements as may be entered into by Bank and Borrowers. Except as set forth in this Agreement, all Advances are to be made by direct deposit into the Special Account.

2.2 Voluntary Prepayment. Borrowers may prepay all or part of the outstanding balance under the Note (subject to the provisions of the Note regarding a prepayment prior to the expiration of the applicable Interest Period [as defined in the Note]) at any time, without premium, penalty or prejudice to the right of Borrowers to reborrow sums of the Loan under the terms of this Agreement, subject to the terms and conditions of the Loan Documents.

2.3 Maximum Loan Amount and Reduction of Indebtedness. Notwithstanding anything contained in this Agreement to the contrary, the principal amount of the Loan at any time outstanding plus any Letter of Credit Liabilities shall not exceed the Maximum Loan Amount and the principal amount of the Loan outstanding under each of the Revolving Loan Tranche and the Term Loan Tranche at any time shall not exceed the Maximum Loan Amount with respect to such tranche as set forth in the definition of Maximum Loan Amount and the principal amount of the Loan outstanding under the Letter of Credit Tranche plus the Letter of Credit Liabilities at any time shall not exceed the Maximum Loan Amount with respect to the Letter of Credit Tranche as set forth in the definition of Maximum Loan Amount. If said limitations are exceeded at anytime, Borrowers shall immediately, without demand by Bank, pay to Bank an amount not less than such excess, or, if Bank, in its sole discretion, shall so agree, Borrowers shall provide Bank cash collateral in an amount not less than such excess, and Borrowers hereby pledge and grant to Bank a security interest in such cash collateral so provided to Bank.

2.4 Use of Proceeds of Loan. The proceeds of the Revolving Loan Tranche shall be used to fund equity contributions for development ventures of Borrower, for pre-development and development costs for the Land, such as earnest money deposits, and property improvements in connection with the Land and other working capital needs of Borrowers, including corporate and project general, administrative and operating costs, stock repurchase costs (not to exceed \$1,000,000 in the aggregate during the term of the Loan), pursuit costs, entitlement costs, taxes, business endeavors associated with the development of commercial and residential real properties, and for land acquisitions in accordance with the terms of Section 2.17 of this Addendum.

2.5 Non-Application of Chapter 346 of Texas Finance Code. The provisions of Chapter 346 of the Texas Finance Code are specifically declared by the parties not to be applicable to any of the Loan Documents or the transactions contemplated thereby.

2.6 Place of Advances. All Advances are to be made at the office of Bank, or at such other place as Bank may designate.

2.7 Bank's Books and Records. The amount and date of each Advance hereunder, the amount from time to time outstanding under the Note, the interest rate in respect of the Loan, and the amount and date of any repayment hereunder or under the Note, shall be noted on Bank's books and records, which shall be conclusive evidence thereof, absent manifest error; provided, however, any failure by Bank to make any such notation, or any error in any such notation, shall not relieve Borrowers of their obligations to pay to Bank all amounts owing to Bank under or pursuant to the Loan Documents, in each case, when due in accordance with the terms hereof or thereof.

2.8 Payments on Non-Business Day. In the event that any payment of any principal, interest, fees or any other amounts payable by Borrowers under or pursuant to any Loan Document shall become due on any day which is not a Business Day, such due date shall be extended to the next succeeding Business Day, and, to the extent applicable, interest shall continue to accrue and be payable at the interest rate set forth in the applicable Note for and during any such extension.

2.9 Payment Procedures. Unless otherwise expressly provided in a Loan Document, all sums payable by Borrowers to Bank under or pursuant to any Loan Document, whether principal, interest, or otherwise, shall be paid, when due, directly to Bank at the office of Bank identified on the signature page of this Agreement, or at such other office of Bank as Bank may designate in writing to Borrowers from time to time, in immediately available United States funds, and without setoff, deduction or counterclaim. Bank may, in its discretion, charge any and all deposit or other accounts (including, without limitation, any account evidenced by a certificate of deposit or time deposit) of any Borrower maintained with Bank for all or any part of any Indebtedness which is not paid when due and payable; provided, however, that such authorization shall not affect any Borrower's obligations to pay all Indebtedness, when due, whether or not any such account balances maintained by such Borrower with Bank are insufficient to pay any amounts then due.

2.10 Maximum Interest Rate. It is expressly stipulated and agreed to be the intent of Borrowers and Bank at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Indebtedness (or applicable United States federal law to the extent that it permits Bank to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Borrowers and Bank related to any of the Indebtedness, (ii) contracted for, charged or received by reason of Bank's exercise of the option to accelerate the maturity of the Note and/or any other portion of the Indebtedness, or (iii) Borrowers will have paid or Bank will have received by reason of any voluntary prepayment by Borrowers of the Note and/or any of the other Indebtedness, then it is Borrowers' and Bank's express intent that all amounts charged in excess of the Maximum Lawful Rate shall be automatically canceled, ab initio, and all amounts in excess of the Maximum Lawful Rate theretofore collected by Bank shall be credited on the principal balance of the Note and/or any of the other Indebtedness evidenced by the Loan Documents (or, if the Note and all other Indebtedness evidenced by the Loan Documents have been or would thereby be paid in full, refunded to Borrowers), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter

collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; provided, however, if the Note has been paid in full before the end of the stated term of the Note, then Borrowers and Bank agree that Bank shall, with reasonable promptness after Bank discovers or is advised by Borrowers that interest was received in an amount in excess of the Maximum Lawful Rate, either refund such excess interest to Borrowers and/or credit such excess interest against any other Indebtedness then owing by Borrowers to Bank. Borrowers hereby agree that as a condition precedent to any claim seeking usury penalties against Bank, Borrowers will provide written notice to Bank, advising Bank in reasonable detail of the nature and amount of the violation, and Bank shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Borrowers or crediting such excess interest against the Note and/or other Indebtedness then owing by Borrowers to Bank. All sums contracted for, charged or received by Bank for the use, forbearance or detention of any of the Indebtedness, including any portion of the debt evidenced by the Note shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or other Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or other Indebtedness does not exceed the Maximum Lawful Rate from time to time in effect and applicable to the Note and/or the other Indebtedness for so long as any Indebtedness is outstanding.

In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or any of the other Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Document it is not the intention of Bank to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

2.11 Receipt of Payments by Bank. Any payment by Borrowers of any of the Indebtedness made by mail will be deemed tendered and received by Bank only upon actual receipt thereof by Bank at the address designated for such payment, whether or not Bank has authorized payment by mail or in any other manner, and such payment shall not be deemed to have been made in a timely manner unless actually received by Bank on or before the date due for such payment, time being of the essence. Borrowers expressly assume all risks of loss or liability resulting from non-delivery or delay of delivery of any item of payment transmitted by mail or in any other manner. Acceptance by Bank of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and any failure to pay the entire amount then due shall constitute and continue to be an Event of Default hereunder. Bank shall be entitled to exercise any and all rights and remedies conferred upon and otherwise available to Bank under any Loan Document upon the occurrence and during the continuance of any such Event of Default. Borrowers further agree that after the occurrence and during the continuance of any Default Bank shall have the continuing exclusive right to apply and to reapply any and all payments received by Bank at any time or times, whether as voluntary payments, proceeds from any Mortgaged Property, offsets, or otherwise, against the Indebtedness in such order and in such manner as Bank may, in its sole discretion, deem advisable, notwithstanding any entry by Bank upon any of its books and records. Borrowers

hereby expressly agree that, to the extent that Bank receives any payment or benefit of or otherwise upon any of the Indebtedness, and such payment or benefit, or any part thereof, is subsequently invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid to a trustee, receiver, or any other Person under any bankruptcy act, state or federal law, common law, equitable cause or otherwise, then to the extent of such payment or benefit, the Indebtedness, or part thereof, intended to be satisfied shall be revived and continued in full force and effect as if such payment or benefit had not been made or received by Bank, and, further, any such repayment by Bank shall be added to and be deemed to be additional Indebtedness.

2.12 Security. Payment and performance of the Indebtedness shall be secured by Liens on the assets, other collateral and properties of Borrowers and of such other Loan Parties as Bank may require from time to time, except that any projects owned by Subsidiaries of Borrowers which are financed with project-related debt (and not financed with proceeds of the Loan) shall not be security for the Loan, provided that with respect to any of the Mortgaged Property which is collateral for the Loan, the required Partial Release Price is paid to Bank pursuant to Addendum 3 hereof to obtain a release of such Mortgaged Property in connection with the commencement of any such project.

2.13 Conditions Precedent to the Initial Advance. The obligation of the Bank to make the Initial Advance on the Loan pursuant to this Agreement shall be subject to the satisfaction of all of conditions precedent set forth in this Section. In the event that any condition precedent is not so satisfied but Bank elects to make the Initial Advance on the Loan notwithstanding the same, such election shall not constitute a waiver of such condition and the condition shall be satisfied prior to any subsequent Advance.

(a) All of the Loan Documents shall be in full force and effect and binding and enforceable obligations of Borrowers and, to the extent that it is a party thereto or otherwise bound thereby, of each other Person who may be a party thereto or bound thereby.

(b) All actions, proceedings, instruments and documents required to carry out the borrowings and transactions contemplated by this Agreement or any other Loan Document or incidental thereto, and all other related legal matters, shall have been satisfactory to and approved by legal counsel for Bank, and said counsel shall have been furnished with such certified copies of actions and proceedings and such other instruments and documents as they shall have requested.

(c) Each Loan Party shall have performed and complied with all agreements and conditions contained in the Loan Documents applicable to it and which are then in effect.

(d) Borrowers shall have delivered; or caused to have been delivered, to Bank or done or caused to have been done, to Bank's satisfaction each and every of the following items:

(1) This Agreement (together with all addenda, schedules, exhibits, certificates, opinions, financial statements and other documents to be delivered

pursuant hereto), the Note, the Deeds of Trust and all other Loan Documents duly executed, acknowledged (if required) and delivered by Borrowers and any Person who is a party thereto.

(2) (i) Copies of resolutions of the board of directors, partners or members or managers, as applicable, of each Loan Party evidencing approval of the borrowing hereunder and the transactions contemplated by the Loan Documents, and authorizing the execution, delivery and performance by each Loan Party of each Loan Document to which it is a party or by which it is otherwise bound, which resolutions shall have been certified by a duly authorized officer, partner or other representative, as applicable, of each Loan Party as of the date of this Agreement as being complete, accurate and in full force and effect; (ii) incumbency certifications of a duly authorized officer, partner or other representative, as applicable, of each Loan Party, in each case, identifying those individuals who are authorized to execute the Loan Documents for and on behalf of such Person(s), respectively, and to otherwise act for and on behalf of such Person(s); (iii) certified copies of each of such Person(s)' articles of incorporation and bylaws, partnership agreement, certificate of limited partnership, articles of organization, regulations or operating agreement, as applicable, and all amendments thereto; and (iv) certificates of existence, good standing and authority to do business, as applicable, certified substantially contemporaneously with the date of this Agreement, from the state or other jurisdiction of each of such Person(s)' organization and from every other state or jurisdiction in which such Person is required, under applicable law, to be qualified to do business.

(3) Proof that appropriate security agreements, financing statements, mortgages, deeds of trust, collateral and such additional documents or certificates as may be required by Bank and/or contemplated under the terms of any and every Loan Document, and such other documents or agreements of security and appropriate assurances of validity, perfection and priority of Lien as Bank may request shall have been executed and delivered by the appropriate Persons and recorded or filed in such jurisdictions and such other steps shall have been taken as necessary to perfect, subject only to Permitted Encumbrances, the Liens granted thereby.

(4) An opinion of Borrowers' legal counsels, dated as of the date of this Agreement, as to enforceability and authority issues and covering such other matters as are required by Bank and which are otherwise reasonably satisfactory in form and substance to Bank.

(5) A UCC, tax lien and judgment lien record search, disclosing no notice of any Liens or encumbrances filed against any of the Mortgaged Property, other than the Permitted Encumbrances.

(6) Evidence of insurance coverage as required by this Agreement and the Deeds of Trust.

(7) The Title Policy (or the Title Company's unconditional commitment to issue the Title Policy upon recordation of the Deeds of Trust).

(8) If requested by bank, an environmental audit report covering the Primary Collateral, in form and content and conducted and prepared by an environmental consultant reasonably acceptable to Bank. Borrowers agree that Bank may disclose the contents of such environmental audit report to Governmental Authorities and Borrowers shall deliver to Bank the written consent to such disclosure from the respective environmental consultant.

(9) Evidence that none of the Primary Collateral is located within any designated flood plain or special flood hazard area (as may be shown on the surveys delivered to Bank or other evidence acceptable to Bank) or, in lieu thereof at Bank's request, evidence that Borrowers have applied for and received flood insurance covering the insurable Improvements in the maximum coverage available to Bank.

(10) To the extent portions of the Primary Collateral have been platted, full-size, single sheet copies of all recorded subdivision or plat maps of the Primary Collateral approved (to the extent required by Governmental Requirements) by all Governmental Authorities, if applicable, and legible copies of all instruments representing exceptions to the state of title to the Primary Collateral.

(11) Current Financial Statements of Borrowers.

(12) If requested by Bank, a soils and geological report covering the Primary Collateral issued by a laboratory approved by Bank, which report shall be reasonably satisfactory in form and substance to Bank, and shall include a summary of soils test borings.

(e) Bank shall have received payment of the Commitment Fee.

(f) Bank shall have received such other instruments, documents and evidence (not inconsistent with the terms hereof) as Bank may reasonably request in connection with the making of the Loan hereunder, and all such instruments, documents and evidence shall be satisfactory in form and substance to Bank.

(g) Upon making the Initial Advance on the Loan, the sum of the amount outstanding on the Loan and all Letter of Credit Liabilities shall not exceed the Maximum Loan Amount.

2.14 Conditions to Subsequent Advances and Letters of Credit. Bank has no obligation to make any Advance on the Loan or to issue any Letter of Credit subsequent to the Initial Advance unless the following conditions precedent are satisfied on or before the Disbursement Date for such Advance:

(a) At Bank's request, Borrowers shall furnish to Bank an endorsement to the Title Policy (or if an endorsement is not available, a letter from the Title Company) showing "nothing further" of record affecting the Primary Collateral from the date of recording of the Deeds of Trust, except such matters as Bank specifically approves.

(b) All Loan Documents shall be in full force and effect and binding and enforceable obligations of each Loan Party.

(c) Each of the representations and warranties of each Loan Party under any Loan Document shall be true and correct in all material respects.

(d) No Default or Event of Default shall have occurred and be continuing; there shall exist no Material Adverse Effect; and no provision of law, any order of any Governmental Authority, or any regulation, rule or interpretation thereof, shall have had any Material Adverse Effect on the validity or enforceability of any Loan Document.

(e) To the extent that any of the proceeds of the Advance are used to acquire assets, Borrowers shall grant a first Lien on such assets, except for office equipment such as computers and phone systems.

(f) Upon making the Advance on the Loan then requested, (i) the amount outstanding on the Loan in the aggregate shall not exceed the Maximum Loan Amount, (ii) the amount outstanding on the Revolving Note shall not exceed the Maximum Loan Amount with respect to the Revolving Loan Tranche and (iii) the amount outstanding on the Term Note shall not exceed the Maximum Loan Amount with respect to the Term Loan Tranche.

(g) Upon the issuance or renewal of a Letter of Credit, the Letter of Credit Liabilities in the aggregate shall not exceed the amount of the Letter of Credit Tranche.

2.15 Advance Not A Waiver. No Advance of the proceeds of the Loan shall constitute a waiver of any of the conditions of Bank's obligation to make further Advances, nor, in the event Borrowers are unable to satisfy any such condition, shall any such Advance have the effect of precluding Bank from thereafter declaring such inability to be an Event of Default.

2.16 Advance Not An Approval. Bank shall have no obligation to make any Advance or part thereof during the existence of any Default or Event of Default, but shall have the right and option so to do; provided that if Bank elects to make any such Advance, no such Advance shall be deemed to be either a waiver of the right to demand payment of the Loan, or any part thereof, or an obligation to make any other Advance.

2.17 Additional Land Acquisitions. Subject to the satisfaction of all conditions precedent to Advances of the Loan, Bank hereby agrees to make one or more Advances of the Revolving Loan Tranche, which Advances shall reduce the amount available to Borrowers under the Revolving Loan Tranche in question, in an amount not to exceed, without prior Bank approval, (i) \$3,000,000.00 at any one time, or (ii) \$10,000,000.00 in the aggregate (together with all other outstanding Advances for land acquisitions), for the purpose of the acquisition of

fee title to real property, provided that Borrowers (i) provide Bank with information about such real property as Bank may reasonably request, (ii) execute and deliver to Bank for each acquisition a deed of trust covering the real property acquired, substantially in the form of the Deeds of Trust, granting to Bank a deed of trust first lien on such real property, which deed of trust will be cross-defaulted and cross-collateralized with the Deeds of Trust and other Loan Documents, (iii) cause the Title Company to provide Bank with a Title Policy insuring such deed of trust as a first lien on such real property and containing only such exceptions to title acceptable to Bank, and in an amount and otherwise on terms and conditions reasonably satisfactory to Bank, and (iv) execute and deliver to Bank its proposed disposition plan of such real property which must be reasonably satisfactory to Bank. Any and all real estate assets acquired in whole or part with Advances made under this Section are sometimes referred to as “**Section 2.17 Assets**”. Notwithstanding anything in this Agreement to the contrary, such Section 2.17 Assets shall, for purposes of this Agreement, be deemed to be included as “**Other Collateral**”; provided, however, that such Section 2.17 Assets may be designated as part of the “**Primary Collateral**” by obtaining an Appraisal, an environmental audit, Title Policy and other documents that may be reasonably required by Bank to classify such Section 2.17 Assets as “Primary Collateral”. Advances under the Revolving Loan Tranche for other than the acquisitions of Section 2.17 Assets are not subject to the terms and provisions of this Section 2.17.

2.18 Mandatory Prepayments. Borrowers shall immediately pay to Bank for application to the Loan in accordance with the terms of this Agreement and in accordance with the Release Provisions set forth in Addendum 3, unless otherwise agreed by Bank in writing, the following sums: (i) one-hundred percent (100%) of the Net Proceeds received by or on behalf of any Borrower from the sale of all or any portion of the Mortgaged Property (except to the extent expressly set forth in Addendum 3 attached hereto) or upon the taking by condemnation of all or any portion of the Mortgaged Property (except to the extent expressly set forth in Addendum 3 attached hereto), (ii) one-hundred percent (100%) of the Net Proceeds of MUD Reimbursables, (iii) one-hundred percent (100%) of the Net Proceeds received upon the sale of any Section 2.17 Asset, (iv) one-hundred percent (100%) of the Net Proceeds received from any sale or transfer of any of the Credit Banks (but not any of the Credit Banks which are drawn on by any Borrower to develop the Land) and (v) one-hundred percent (100%) of the distributions received by any Borrower from any partnership or joint venture which is a Related Party or Subsidiary of any such Borrower, upon the sale by such Related Party or Subsidiary of any real property interest (“**Partnership Distributions**”).

2.19 Application of Payments. Except as provided in Section 2.20 below, so long as no Event of Default exists, all payments received from any Borrower (including, without limitation, the application of Net Proceeds received from MUD Reimbursables, proceeds received from the sale or transfer of Credit Banks, the application of Net Proceeds from the sale of Section 2.17 Assets, the application of Net Proceeds from the sale of Primary Collateral or Other Collateral or Partnership Distributions, the application of Net Proceeds from the conveyance of Primary Collateral or Other Collateral to a Related Party, and release price proceeds from any other source) shall be applied as follows:

3.1 Letters of Credit. Subject to the terms and conditions of this Agreement and the other Loan Documents, Borrowers may, prior to the Maturity Date, request Bank to issue one or

more Letters of Credit under and as part of the Letter of Credit Tranche, provided that the conditions to the issuance of Letters of Credit herein are satisfied. In no event shall the Letter of Credit Liabilities ever exceed the amount of the Letter of Credit Tranche; and the sum of (i) the outstanding principal balance of the Letter of Credit Note and (ii) any Letter of Credit Liabilities, shall not ever exceed the Maximum Loan Amount applicable to the Letter of Credit Tranche as set forth in the definition of Maximum Loan Amount. Letters of Credit may be issued for business purposes reasonably approved by Bank. As of the date hereof, five (5) Letters of Credit in the aggregate face amount of \$2,361,163.00 have been issued under and are outstanding pursuant to this Agreement.

3.2 Conditions to Letters of Credit. The issuance of each Letter of Credit shall be subject to the following conditions:

(b) after taking into account any such Letter of Credit, the sum of (i) the then existing Letter of Credit Liabilities, plus (ii) the then outstanding principal balance of the Letter of Credit Note, does not (and shall at no time) exceed the Maximum Loan Amount applicable to the Letter of Credit Tranche. Accordingly, the amount of all Letter of Credit Liabilities, if any, shall reduce the amount available for the issuance of Letters of Credit under the Letter of Credit Tranche;

(c) the expiration date of such Letter of Credit is not more than six (6) months after the maturity date of the Note;

(d) such Letter of Credit shall be classified as a “Standby” Letter of Credit in accordance with applicable laws and regulations applicable to Bank and in accordance with the Bank’s customary practices at such times for reporting to regulatory authorities;

(e) the issuance of such Letter of Credit will be in compliance with all applicable Governmental Requirements and all other applicable restrictions, policies, and guidelines and will not subject Bank to any cost which is not reimbursable by a Borrower under the Loan Documents;

(f) the form and terms of such Letter of Credit must be acceptable to Bank in its sole discretion;

(g) all other conditions in this Agreement to the issuance of such Letter of Credit shall have been satisfied;

(i) the representations and warranties of Borrowers contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of issuance of such Letter of Credit.

Bank will honor any such request by Borrowers for the issuance of a Letter of Credit if the foregoing conditions (a) through (i) (collectively, the “**LC Conditions**”) have been met as of the date of issuance of such Letter of Credit. Bank may choose to honor any such request for any other Letter of Credit but has no obligation to do so and may refuse to issue any other requested Letter of Credit for any reason which Bank in its sole discretion deems relevant.

3.3 Requesting Letters of Credit. Borrowers must make written application for any Letter of Credit at least five (5) Business Days before the date on which Borrowers desire for Bank to issue such Letter of Credit. By making any such written application, Borrowers shall be deemed to have represented and warranted that the LC Conditions will be met as of the date of issuance of such Letter of Credit. Two (2) Business Days after the LC Conditions have been met (or if Bank otherwise desires to issue such Letter of Credit), Bank will issue such Letter of Credit at Bank’s office in Dallas, Texas. If any provisions of any LC Application conflict with any provisions of this Agreement, the provisions of this Agreement shall govern and control.

3.4 Reimbursement and Participations.

(a) Reimbursement by Borrowers. Each Matured L/C Obligation shall constitute an Advance under the Loan and the Letter of Credit Note. To the extent the same has not been repaid to Bank (with the proceeds of an Advance under the Loan or otherwise), Borrowers promise to pay to Bank, or to Bank’s order, on demand, (i) the full amount of each Matured L/C Obligation, whether such obligation accrues before or after the Maturity Date, together with (ii) interest thereon at a rate per annum equal to the “Applicable Interest Rate” (as such term is defined in the Letter of Credit Note) until repaid in full; provided that after the Maturity Date or following a Default or an Event of Default under this Agreement or the other Loan Documents, such interest shall accrue at the Default Rate.

(b) Letter of Credit Advances. If the beneficiary of any Letter of Credit makes a draft or other demand for payment thereunder, then Borrowers may, during the interval between the making thereof and the honoring thereof by Bank, request Bank to make an Advance under the Revolving Note to Borrowers in the amount of such draft or demand, which Advance shall be made concurrently with Bank’s payment of such draft or demand and shall be immediately used by Bank to repay the amount of the resulting Matured L/C Obligation. Such a request by Borrowers shall be made in compliance with all of the provisions hereof.

(c) Letter of Credit Fees. In consideration of Bank’s issuance of any Letter of Credit, Borrowers agree to pay to Bank a letter of credit fee at a rate equal to two percent (2.0%) per annum. Each such fee will be, calculated based on the term and face amount of such Letter of Credit and the above applicable rate and will be payable upon issuance. In no event shall the issuance fee be less than \$500.00 for any Letter of Credit.

3.5 No Duty to Inquire.

(a) Drafts and Demands. Bank is authorized and instructed to accept and pay drafts and demands for payment under any Letter of Credit without requiring, and without responsibility for, any determination as to the existence of any event giving rise to said draft, either at the time of acceptance of payment or thereafter. Bank is under no duty to determine the proper identity of anyone presenting such a draft or making such a demand (whether by tested telex or otherwise) as the officer, representative or agent of any beneficiary under any Letter of Credit, and payment by Bank to any such beneficiary when requested by any such purported officer, representative or agent is hereby authorized and approved. Borrowers agree to hold Bank harmless and indemnified against any liability or claim in connection with or arising out of the subject matter of this section, **WHICH INDEMNITY SHALL APPLY WHETHER OR NOT ANY SUCH LIABILITY OR CLAIM IS IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY BANK**, provided only that Bank shall not be entitled to indemnification for that portion, if any, of any liability or claim which is approximately caused by its own individual gross negligence or willful misconduct, as determined in a final judgment.

(b) Extension of Letter of Credit Maturity. If the maturity of any Letter of Credit is extended by its terms or by applicable law or governmental action, if any extension of the maturity or time for presentation of drafts or any other modification of the terms of any Letter of Credit is made at the request of Borrowers, or if the amount of any Letter of Credit is increased at the request of Borrowers, this Agreement shall be binding upon Borrowers with respect to such Letter of Credit as so extended, increased or otherwise modified, with respect to drafts and property covered thereby, and with respect to any action taken by Bank, or Bank's correspondents in accordance with such extension, increase or other modification.

(c) Transferees of Letters of Credit. If any Letter of Credit provides that it is transferable, Bank shall have no duty to determine the proper identity of anyone appearing as transferee of such Letter of Credit, nor shall Bank be charged with responsibility of any nature or character for the validity or correctness of any transfer or successive transfers, and payment by Bank to any purported transferee or transferees as determined by Bank is hereby authorized and approved, and Borrowers further agree to hold Bank harmless and indemnified against any liability or claim in connection with or arising out of the foregoing, **WHICH INDEMNITY SHALL APPLY WHETHER OR NOT ANY SUCH LIABILITY OR CLAIM IS IN ANY WAY OR TO ANY EXTENT OWED, IN WHOLE OR IN PART, UNDER ANY CLAIM OR THEORY OF STRICT LIABILITY, OR ARE CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY BANK**, provided only that Bank shall not be entitled to indemnification for that portion, if any, of any liability or claim which is proximately caused by its own individual gross negligence or willful misconduct, as determined in a final judgment.

### 3.6 LC Collateral.

(a) Acceleration of Letter of Credit Liabilities. On the Maturity Date, or if the Loan becomes immediately due and payable pursuant to the Loan Documents, then, unless Bank otherwise specifically elects to the contrary, all Letter of Credit Liabilities shall become immediately due and payable without regard to whether or not actual drawings or payments on the Letters of Credit have occurred, and Borrowers shall be obligated to return all original Letters of Credit to Bank and pay to Bank immediately an amount equal to the aggregate Letter of Credit Liabilities which are then outstanding (taking into account the actual return to Bank of any original outstanding Letters of Credit). All amounts so paid shall first be applied to Matured L/C Obligations and the remainder will be held by Bank as security for the remaining Letter of Credit Liabilities (all such amounts held as security for Letter of Credit Liabilities being herein collectively called "**LC Collateral**") until such Letter of Credit Liabilities become Matured L/C Obligations, at which time such LC Collateral shall be applied to such Matured L/C Obligations, and any remaining amounts after the repayment of all Matured L/C Obligations and Indebtedness shall be returned to Borrowers.

(b) Investment of LC Collateral. Pending application thereof, all LC Collateral shall be invested by Bank in such investments as Bank may elect. All interest on such investments shall be reinvested or applied to Matured L/C Obligations. When all indebtedness evidenced by the Note and all Letter of Credit Liabilities have been satisfied in full, all Letters of Credit have expired or been terminated, and all of Borrowers' reimbursement obligations in connection therewith have been satisfied in full, Bank shall release any remaining LC Collateral. Borrowers hereby assign and grant to Bank a continuing security interest in all LC Collateral, all investments purchased with such LC Collateral, and all proceeds thereof to secure its Matured L/C Obligations and its obligations under this Agreement, the Note and the other Loan Documents. Borrowers further agree that Bank shall have all of the rights and remedies of a secured party under the Uniform Commercial Code as adopted in the State of Texas with respect to such security interest and that an Event of Default under this Agreement shall constitute a default for purposes of such security interest.

(c) Payment of LC Collateral. When Borrowers are required to provide LC Collateral for any reason and fails to do so on the day when required, Bank may without notice to Borrower provide such LC Collateral (whether by transfers from other accounts maintained with Bank or otherwise) using any available funds of Borrower.

ON THE MATURITY DATE, as stated above, FOR VALUE RECEIVED, the undersigned promise(s) to pay to the order of COMERICA BANK (herein called "**Bank**"), at any office of the Bank in the State of Texas, the principal sum of FORTY-FIVE MILLION AND NO/100 THS DOLLARS (U.S.) (\$45,000,000.00), or so much of said sum as has been advanced and is then outstanding under this Note, together with interest thereon in accordance with the terms and conditions of this Note.

This Note is a note under which Advances, repayments and re-Advances may be made from time to time, subject to the terms and conditions of this Note and the Loan Agreement (as hereinafter defined); provided, however, in no event shall Bank be obligated to make any Advances hereunder (notwithstanding anything expressed or implied herein or elsewhere to the contrary) in the event that any Event of Default (as defined in the Loan Agreement) then exists, or if Bank has sent written notice to the undersigned in accordance with the Loan Documents of any condition or event which, with the passage of time, would constitute an Event of Default, and which has not been cured.

This Note evidences the Revolving Loan Tranche (as defined in the Loan Agreement). The principal balance outstanding at any time may not exceed the face amount hereof, but amounts repaid may be reborrowed in accordance with the Loan Agreement. The books and records of the Bank shall be the best evidence of the principal amount and the unpaid interest amount owing at any time under this Note and shall be conclusive absent manifest error. No interest shall accrue under this Note until the date of the first Advance made by the Bank; after that interest on all Advances shall accrue at the Applicable Interest Rate and be computed on the principal balance outstanding from time to time under this Note until the same is paid in full.

Subject to the terms and conditions of this Note, the unpaid principal balance outstanding under this Note from time to time shall bear interest at the LIBOR-based Rate plus the Applicable Margin except during any period of time during which, in accordance with the terms and conditions of this Note, the Indebtedness hereunder shall bear interest at the Prime Referenced Rate plus the Applicable Margin.

Accrued and unpaid interest on the unpaid principal balance outstanding hereunder shall be payable monthly, in arrears, on the fifth (5<sup>th</sup>) day of each month, commencing on the fifth (5<sup>th</sup>) day after the first (1<sup>st</sup>) month after the date of this Note and continuing on a like day of each succeeding month thereafter, until the Maturity Date, when the entire unpaid balance of principal and interest under this Note shall be due and payable (unless sooner accelerated in accordance with the terms of this Note).

Interest accruing hereunder on the basis of the Prime Referenced Rate (to the extent applicable) shall be computed on the basis of a 360-day year, and shall be assessed for the actual number of days elapsed, and in such computation, effect

shall be given to any change in the Applicable Interest Rate as a result of any change in the Prime Referenced Rate, on the date of each such change. Interest accruing on the basis of the LIBOR-based Rate shall be computed on the basis of a 360 day year and shall be assessed for the actual number of days elapsed from the first day of the Interest Period applicable thereto but not including the last day thereof.

Payments under this Note shall be first applied to accrued and unpaid interest hereunder and the balance, if any, to principal.

In addition to the foregoing, a late payment charge equal to five percent (5%) of each late payment hereunder may be charged on any payment not received by Bank within ten (10) calendar days after the payment due date therefor, but acceptance of payment of any such charge shall not constitute a waiver of any Default hereunder; provided, however, the late charge shall not be applicable with respect to the outstanding principal balance of this Note upon the maturity of this Note (whether occurring by virtue of acceleration, on the stated maturity date, or otherwise).

In no event shall the interest payable under this Note at any time exceed the Maximum Lawful Rate (as defined in the Loan Agreement). Reference is made to Section 2.10 of Addendum 2 of the Loan Agreement for the terms related to the application of the Maximum Lawful Rate.

The amount from time to time outstanding under this Note, the Applicable Interest Rate(s), the Interest Period(s), if applicable, and the amount and date of any repayment shall be noted on Bank's records, which records shall be conclusive evidence thereof, absent manifest error; provided, however, any failure by Bank to make any such notation, or any error in any such notation, shall not relieve the undersigned of its/their obligations to repay Bank all amounts payable by the undersigned to Bank under or pursuant to this Note, when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate is at any time the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding under this Note, effective as of the last day of the Interest Period applicable to such LIBOR-based Rate and as of the last day of each succeeding Interest Period, the LIBOR-based Rate for such Indebtedness shall be determined as of each such date in accordance with the terms of this Note, and the LIBOR-based Rate plus the Applicable Margin shall continue to be the Applicable Interest Rate for and in respect of such Indebtedness for successive Interest Periods equal to the same period of time as the Interest Period then ending for such LIBOR-based Rate (but not less than one (1) month), unless the LIBOR-based Rate is not available to the undersigned as the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding hereunder in accordance with the terms of this Note, in which case the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate hereunder in respect of such Indebtedness for such period, subject in all respects to the terms and conditions of this Note. The foregoing shall not in any way whatsoever limit or otherwise affect any of Bank's rights or remedies under this Note upon the occurrence of any Default hereunder, or any condition or event which, with the giving of notice or the running of time, or both, would constitute a Default.

Subject to the definition of an "Interest Period" hereunder, in the event that any payment under this Note becomes due and payable on any day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day, and, to the extent applicable, interest shall continue to accrue and be payable thereon during such extension at the rates set forth in this Note.

All payments to be made by the undersigned to Bank under or pursuant to this Note shall be in immediately available United States funds, without setoff or counterclaim, and in the event that any payments submitted hereunder are in funds not available until collected, said payments shall continue to bear interest until collected. The undersigned hereby authorize(s) Bank to charge any account(s) of the undersigned (or any of them) with Bank for all sums due hereunder when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate plus the Applicable Margin is the Applicable Interest Rate for the principal Indebtedness outstanding under this Note, and any payment or prepayment of any such Indebtedness shall occur on any day other than the last day of the Interest Period applicable thereto (whether voluntarily, by acceleration, required payment or otherwise), or if the undersigned shall fail to make any payment of principal or interest hereunder at any time that the LIBOR-based Rate is the basis for the Applicable Interest Rate hereunder in respect of such Indebtedness, the undersigned shall reimburse Bank, on demand, for any resulting loss, cost or expense incurred by Bank as a result thereof, including, without limitation, any such loss, cost or expense incurred in obtaining, liquidating, employing or redeploying deposits from third parties (“LIBOR Costs”). Such amount payable by the undersigned to Bank may include, without limitation, an amount equal to the excess, if any, of (a) the amount of principal which would have accrued on the amount so prepaid, for the period from the date of such prepayment through the last day of the relevant Interest Period, at the applicable rate of interest provided under this Note, over (b) the amount of interest (as reasonably determined by Bank) which would have accrued to Bank on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. Calculation of any amounts payable to Bank under this paragraph shall be made as though Bank shall have actually funded or committed to fund the relevant Indebtedness hereunder through the purchase of an underlying deposit in an amount equal to the amount of such Indebtedness and having a maturity comparable to the relevant Interest Period; provided, however, that Bank may fund the Indebtedness hereunder in any manner it deems fit and the foregoing assumptions shall be utilized only for the purpose of the calculation of amounts payable under this paragraph. Upon the written request of the undersigned, Bank shall deliver to the undersigned a certificate setting forth the basis for determining such losses, costs and expenses, which certificate shall be conclusively presumed correct, absent manifest error. The undersigned may prepay all or any part of the outstanding balance of any Indebtedness hereunder at any time without premium or penalty, provided, however, that if the undersigned prepays any part of the outstanding balance of any Indebtedness hereunder which is bearing interest at such time based upon the LIBOR-based Rate, the undersigned shall pay to the Bank LIBOR Costs incurred by the Bank due to such prepayment. Any prepayment hereunder shall also be accompanied by the payment of all accrued and unpaid interest on the amount so prepaid. Partial prepayments hereunder shall be applied to the installments hereunder in the inverse order of their maturities.

For any Indebtedness hereunder for which the Applicable Interest Rate is at any time based upon the LIBOR-based Rate, if Bank shall designate a LIBOR Lending Office which maintains books separate from those of the rest of Bank, Bank shall have the option of maintaining and carrying this Note and the relevant Indebtedness hereunder on the books of such LIBOR Lending Office.

If, at any time, Bank determines that, (a) Bank is unable to determine or ascertain the LIBOR-based Rate, or (b) by reason of circumstances affecting the foreign exchange and interbank markets generally, deposits in eurodollars in the applicable amounts or for the relative maturities are not being offered to Bank for any applicable Interest Period, or (c) the LIBOR-based Rate plus the Applicable Margin will not accurately or fairly cover or reflect the cost to Bank of maintaining any of the Indebtedness under this Note based upon the LIBOR-based Rate, then Bank shall forthwith give notice thereof to the undersigned. Thereafter, until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness outstanding under this Note at an Applicable Interest Rate based upon the LIBOR-based Rate or the rights of the undersigned to request an Advanced based on a LIBOR-based Rate shall be suspended, and the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for all Indebtedness hereunder during such period of time. Otherwise, the LIBOR-based Rate plus the Applicable Margin will be the Applicable Interest Rate for all Indebtedness hereunder.

If any Change in Law shall make it unlawful or impossible for the Bank (or its LIBOR Lending Office) to make or maintain any of the Indebtedness under this Note with interest based upon the LIBOR-based Rate, Bank shall forthwith give written notice thereof to the undersigned specifying such Change in Law. Thereafter, (a) until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate, and thereafter, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the Indebtedness hereunder during such period of time, and (b) if Bank may not lawfully continue to maintain the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate to the end of the then current Interest Period applicable thereto, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the remainder of such Interest Period.

If any Change in Law shall (a) subject Bank (or its LIBOR Lending Office) to any tax, duty or other charge with respect to this Note or any Indebtedness hereunder, or shall change the basis of taxation of payments to Bank (or its LIBOR Lending Office) of the principal of or interest under this Note or any other amounts due under this Note in respect thereof (except for changes in the rate of tax on the overall net income of Bank or its LIBOR Lending Office imposed by the jurisdiction in which Bank's principal executive office or LIBOR Lending Office is located); or (b) impose, modify or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Bank (or its LIBOR Lending Office), or shall impose on Bank (or its LIBOR Lending Office) or the foreign exchange and interbank markets any other condition affecting this Note or the Indebtedness hereunder; and the result of any of the foregoing is to increase the cost to Bank of maintaining any part of the Indebtedness hereunder or to reduce the amount of any sum received or receivable by Bank under this Note by an amount deemed by the Bank to be material, then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, such additional amount or amounts as will compensate Bank for such increased cost or reduction. A certificate of Bank, prepared in good faith and in reasonable detail by Bank and submitted by Bank to the undersigned, setting forth the basis for determining such additional amount or amounts necessary to compensate Bank shall be conclusive and binding for all purposes, absent manifest error.

In the event that any Change in Law affects or would affect the amount of capital required or expected to be maintained by Bank (or any corporation controlling Bank), and Bank determines that the amount of such capital is increased by or based upon the existence of any obligations of Bank hereunder or the maintaining of any Indebtedness hereunder, and such increase has the effect of reducing the rate of return on Bank's (or such controlling corporation's) capital as a consequence of such obligations or the maintaining of such Indebtedness hereunder to a level below that which Bank (or such controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy), then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, additional amounts as are sufficient to compensate Bank (or such controlling corporation) for any increase in the amount of capital and reduced rate of return which Bank reasonably determines to be allocable to the existence of any obligations of the Bank hereunder or to maintaining any Indebtedness hereunder. A certificate of Bank as to the amount of such compensation, prepared in good faith and in reasonable detail by the Bank and submitted by Bank to the undersigned, shall be conclusive and binding for all purposes absent manifest error.

This Note and any other indebtedness and liabilities of any kind of the undersigned (or any of them) to the Bank, and any and all modifications, renewals or extensions of it, whether joint or several, contingent or absolute, now existing or later arising, and however evidenced and whether incurred voluntarily or involuntarily, known or unknown, or originally payable to the Bank or to a third party and subsequently acquired by Bank including, without limitation, any late charges; loan fees or charges; overdraft indebtedness; costs incurred by Bank in establishing, determining, continuing or defending the validity or priority of any security interest, pledge or other lien or in pursuing any of its rights or remedies under any Loan Document (or otherwise) or in connection with any proceeding involving the Bank

as a result of any financial accommodation to the undersigned (or any of them); and reasonable costs and expenses of attorneys and paralegals, whether inside or outside counsel is used, and whether any suit or other action is instituted, and to court costs if suit or action is instituted, and whether any such fees, costs or expenses are incurred at the trial court level or on appeal, in bankruptcy, in administrative proceedings, in probate proceedings or otherwise (collectively “**Indebtedness**”) are secured by and the Bank is granted a security interest in and lien upon all items deposited in any account of any of the undersigned with the Bank and by all proceeds of these items (cash or otherwise), all account balances of any of the undersigned from time to time with the Bank, by all property of any of the undersigned from time to time in the possession of the Bank and by any other collateral, rights and properties described in each and every deed of trust, mortgage, security agreement, pledge, assignment and other security or collateral agreement which has been, or will at any time(s) later be, executed by any (or all) of the undersigned to or for the benefit of the Bank (collectively “**Collateral**”). Notwithstanding the above, (i) to the extent that any portion of the Indebtedness is a consumer loan, that portion shall not be secured by any deed of trust or mortgage on or other security interest in any of the undersigned’s principal dwelling or in any of the undersigned’s real property which is not a purchase money security interest as to that portion, unless expressly provided to the contrary in another place, or (ii) if the undersigned (or any of them) has (have) given or give(s) Bank a deed of trust or mortgage covering California real property, that deed of trust or mortgage shall not secure this Note or any other indebtedness of the undersigned (or any of them), unless expressly provided to the contrary in another place, or (iii) if the undersigned (or any of them) has (have) given or give(s) the Bank a deed of trust or mortgage covering real property which, under Texas law, constitutes the homestead of such person, that deed of trust or mortgage shall not secure this Note or any other indebtedness of the undersigned (or any of them) unless expressly provided to the contrary in another place.

If an Event of Default (as defined in the Loan Agreement) occurs and is continuing, then the Bank may, at its option and without prior notice to the undersigned (or any of them), declare any or all of the Indebtedness to be immediately due and payable, sell or liquidate all or any portion of the Collateral, set off against the Indebtedness any amounts owing by the Bank to the undersigned (or any of them), charge interest at the Default Rate and exercise any one or more of the rights and remedies granted to the Bank by any Loan Document or given to it under applicable law.

The undersigned authorize(s) the Bank to charge any account(s) of the undersigned (or any of them) with the Bank for any and all sums due hereunder when due; provided, however, that such authorization shall not affect any of the undersigned’s obligation to pay to the Bank all amounts when due, whether or not any such account balances that are maintained by the undersigned with the Bank are insufficient to pay to the Bank any amounts when due, and to the extent that are insufficient to pay to the Bank all such amounts, the undersigned shall remain liable for any deficiencies until paid in full.

If this Note is signed by two or more parties (whether by all as makers or by one or more as an accommodation party or otherwise), the obligations and undertakings under this Note shall be that of all and any two or more jointly and also of each severally. This Note shall bind the undersigned, and the undersigned’s respective heirs, personal representatives, successors and assigns.

Except for notices expressly required under any of the Loan Documents, the undersigned waive(s) presentment, demand, protest, notice of dishonor, notice of demand or intent to demand, notice of acceleration or intent to accelerate, and all other notices, and agree(s) that no extension or indulgence to the undersigned (or any of them) or release, substitution or nonenforcement of any security, or release or substitution of any of the undersigned, any guarantor or any other party, whether with or without notice, shall affect the obligations of any of the undersigned. The undersigned waive(s) all defenses or right to discharge available under Section 3-605 of the Texas Uniform Commercial Code and waive(s) all other suretyship defenses or right to discharge. The undersigned agree(s) that the Bank has the right to sell, assign, or grant participations or any interest in, any or all of the Indebtedness, and that, in connection with this right, but without limiting its ability to make other disclosures to the full extent allowable, the Bank may disclose all documents and information which the Bank now or later has relating to the undersigned or the Indebtedness. The

undersigned agree(s) that the Bank may provide information relating to this Note or relating to the undersigned to the Bank's parent, affiliates, subsidiaries and service providers.

The undersigned agree(s) to pay or reimburse to Bank, or any other holder or owner of this Note, on demand, for any and all costs and expenses of Bank (including, without limit, court costs, legal expenses and reasonable attorneys' fees, whether inside or outside counsel is used, whether or not suit is instituted, and, if suit is instituted, whether at the trial court level, appellate level, in a bankruptcy, probate or administrative proceeding or otherwise) incurred in connection with the preparation, execution, delivery, amendment, administration, and performance of this Note and the related documents, or incurred in collecting or attempting to collect this Note or the Indebtedness, or incurred in any other matter or proceeding relating to this Note or the Indebtedness.

The undersigned acknowledge(s) and agree(s) that there are no contrary agreements, oral or written, establishing a term of this Note and agree(s) that the terms and conditions of this Note may not be amended, waived or modified except in a writing signed by an officer of the Bank expressly stating that the writing constitutes an amendment, waiver or modification of the terms of this Note. As used in this Note, the word "undersigned" means, individually and collectively, each maker, accommodation party, endorser and other party signing this Note in a similar capacity. If any provision of this Note is unenforceable in whole or part for any reason, the remaining provisions shall continue to be effective. Chapter 346 of the Texas Finance Code (and as the same may be incorporated by reference in other Texas statutes) shall not apply to the Indebtedness evidenced by this Note. **THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.**

The indebtedness evidenced by this Note is in renewal, extension and modification, but not in extinguishment or novation, of the indebtedness evidenced by that certain Revolving Promissory Note dated as of December 31, 2012, in the original principal sum of \$35,000,000.00, executed by the undersigned, payable to the order of Bank.

This Note and all other documents, instruments and agreements evidencing, governing, securing, guaranteeing or otherwise relating to or executed pursuant to or in connection with this Note or the Indebtedness evidenced hereby (whether executed and delivered prior to, concurrently with or subsequent to this Note), as such documents may have been or may hereafter be amended from time to time (collectively, the "**Loan Documents**") are intended to be performed in accordance with, and only to the extent permitted by, all applicable usury laws. If any provision hereof or of any of the other Loan Documents or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, neither the application of such provision to any other person or circumstance nor the remainder of the instrument in which such provision is contained shall be affected thereby and shall be enforced to the greatest extent permitted by law. It is expressly stipulated and agreed to be the intent of the holder hereof to at all times comply with the usury and other applicable laws now or hereafter governing the interest payable on the indebtedness evidenced by this Note. If the applicable law is ever revised, repealed or judicially interpreted so as to render usurious any amount called for under this Note or under any of the other Loan Documents, or contracted for, charged, taken, reserved or received with respect to the indebtedness evidenced by this Note, or if Bank's exercise of the option to accelerate the maturity of this Note, or if any prepayment by the undersigned or prepayment agreement results (or would, if complied with, result) in the undersigned having paid, contracted for or being charged for any interest in excess of that permitted by law, then it is the express intent of the undersigned and Bank that this Note and the other Loan Documents shall be limited to the extent necessary to prevent such result and all excess amounts theretofore collected by Bank shall be credited on the principal balance of this Note or, if fully paid, upon such other Indebtedness as shall then remain outstanding (or, if this Note and all other Indebtedness have been paid in full, refunded to the undersigned), and the provisions of this Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectable hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid, or agreed to be paid, by the undersigned for the use, forbearance, detention, taking, charging, receiving or reserving of the indebtedness of the undersigned to

Bank under this Note or arising under or pursuant to the other Loan Documents shall, to the maximum extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the usury ceiling from time to time in effect and applicable to such indebtedness for so long as such indebtedness is outstanding. To the extent federal law permits Bank to contract for, charge or receive a greater amount of interest, Bank will rely on federal law instead of the Texas Finance Code, as supplemented by Texas Credit Title, for the purpose of determining the Maximum Rate. Additionally, to the maximum extent permitted by applicable law now or hereafter in effect, Bank may, at its option and from time to time, implement any other method of computing the Maximum Rate under the Texas Finance Code, as supplemented by Texas Credit Title, or under other applicable law, by giving notice, if required, to the undersigned as provided by applicable law now or hereafter in effect. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Bank to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

For the purposes of this Note, the following terms have the following meanings:

For purposes of this definition, (x) a change in law, treaty, rule, regulation, interpretation, administration or implementation shall include, without limitation, any change made or which becomes effective on the basis of a law, treaty, rule, regulation, interpretation administration or implementation then in force, the effective date of which change is delayed by the terms of such law, treaty, rule, regulation, interpretation, administration or implementation, and (y) the Dodd-Frank Wall Street Reform and Consumer Protection Act (Pub. L. 111-203, H.R. 4173) and all requests, rules, regulations, guidelines, interpretations or directives promulgated thereunder or issued in connection therewith shall be deemed to be a “Change in Law”, regardless of the date enacted, adopted, issued or promulgated, whether before or after the date hereof, and (z) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States

“**Interest Period**” means, a period of one (1) month, or as otherwise determined pursuant to and in accordance with the terms of this Note, commencing on the date of an Advance, or in the case of successive continuations of the LIBOR-based Rate plus the Applicable Margin as the Applicable Interest Rate hereunder, as herein provided, on the last day of the preceding Interest Period then ending, provided that:

- (a) any Interest Period which would otherwise end on a day which is not a Business Day shall be extended to the next succeeding Business Day, except that if the next succeeding Business Day falls in another calendar month, the Interest Period shall end on the next preceding Business Day, and when an Interest Period begins on a day which has no numerically corresponding day in the calendar month during which such Interest Period is to end, it shall end on the last Business Day of such calendar month; and
- (b) Interest Period shall not extend beyond the Maturity Date.

“**LIBOR-based Rate**” means a per annum interest rate which is equal to the quotient of the following:

“**LIBOR Lending Office**” means Bank’s office located in the Cayman Islands, British West Indies, or such other branch of Bank, domestic or foreign, as it may hereafter designate as its LIBOR Lending Office by notice to the undersigned.

“**LIBOR Rate**” means, with respect to any Indebtedness outstanding under this Note bearing interest on the basis of the LIBOR-based Rate, the per annum rate of interest determined on the basis of the rate for deposits in United States Dollars for a period equal to the relevant Interest Period for such Indebtedness, commencing on the first day of such Interest Period, appearing on Page BBAM of the Bloomberg Financial Markets Information Service as of 11:00 a.m. (Dallas, Texas time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period. In the event that such rate does not appear on Page BBAM of the Bloomberg Financial Markets Information Service (or otherwise on such Service), the “LIBOR Rate” shall be determined by reference to such other publicly available service for displaying eurodollar rates as may be reasonably selected by Bank, or, in the absence of such other service, the “LIBOR Rate” shall, instead, be determined based upon the average of the rates at which Bank is offered dollar deposits at or about 11:00 a.m. (Dallas, Texas time) (or as soon thereafter as practical), two (2) Business Days

prior to the first day of such Interest Period in the interbank eurodollar market in an amount comparable to the amount of the outstanding Indebtedness hereunder which is to bear interest on the basis of such LIBOR-based Rate and for a period equal to the relevant Interest Period.

**“Prime Referenced Rate”** means a per annum interest rate which is equal to the Prime Rate.

No delay or failure of Bank in exercising any right, power or privilege hereunder shall affect such right, power or privilege, nor shall any single or partial exercise thereof preclude any further exercise thereof, or the exercise of any other power, right or privilege. The rights of Bank under this Note are cumulative and not exclusive of any right or remedies which Bank would otherwise have, whether by other instruments or by law.

TO THE EXTENT PERMITTED BY LAW, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE OR THE INDEBTEDNESS.**

ON THE MATURITY DATE, as stated above, FOR VALUE RECEIVED, the undersigned promise(s) to pay to the order of COMERICA BANK (herein called "**Bank**"), at any office of the Bank in the State of Texas, the principal sum of SEVEN MILLION FIVE HUNDRED THOUSAND AND NO/100THS DOLLARS (U.S.) (\$7,500,000.00), or so much of said sum as has been advanced and is then outstanding under this Note, together with interest thereon in accordance with the terms and conditions of this Note.

This Note is a note under which Advances, repayments and re-Advances may be made from time to time, subject to the terms and conditions of this Note and the Loan Agreement (as hereinafter defined); provided, however, in no event shall Bank be obligated to make any Advances hereunder (notwithstanding anything expressed or implied herein or elsewhere to the contrary) in the event that any Event of Default (as defined in the Loan Agreement) then exists, or if Bank has sent written notice to the undersigned in accordance with the Loan Documents of any condition or event which, with the passage of time, would constitute an Event of Default, and which has not been cured.

This Note evidences the Letter of Credit Tranche (as defined in the Loan Agreement). The outstanding principal balance plus the Letter of Credit Liabilities (as defined in the Loan Agreement) at any time may not exceed the face amount hereof, but amounts repaid may be reborrowed in accordance with the Loan Agreement. The books and records of the Bank shall be the best evidence of the principal amount and the unpaid interest amount owing at any time under this Note and shall be conclusive absent manifest error. No interest shall accrue under this Note until the date of the first Advance made by the Bank; after that interest on all Advances shall accrue at the Applicable Interest Rate and be computed on the principal balance outstanding from time to time under this Note until the same is paid in full.

Subject to the terms and conditions of this Note, the unpaid principal balance outstanding under this Note from time to time shall bear interest at the LIBOR-based Rate plus the Applicable Margin except during any period of time during which, in accordance with the terms and conditions of this Note, the Indebtedness hereunder shall bear interest at the Prime Referenced Rate plus the Applicable Margin.

Accrued and unpaid interest on the unpaid principal balance outstanding hereunder and all principal advanced hereunder shall be payable as set forth in Section 3.4(a) of Addendum 2 of the Loan Agreement.

Interest accruing hereunder on the basis of the Prime Referenced Rate (to the extent applicable) shall be computed on the basis of a 360-day year, and shall be assessed for the actual number of days elapsed, and in such computation, effect shall be given to any change in the Applicable Interest Rate as a result of any change in the Prime Referenced Rate, on the date of each such change. Interest accruing on the basis of the LIBOR-based Rate shall be computed on

the basis of a 360 day year and shall be assessed for the actual number of days elapsed from the first day of the Interest Period applicable thereto but not including the last day thereof.

Payments under this Note shall be first applied to accrued and unpaid interest hereunder and the balance, if any, to principal.

The term “**Loan Agreement**” hereunder shall mean that certain Amended and Restated Loan Agreement dated of even date with this Note by and between Bank and the undersigned, as the same may be further supplemented, amended or restated from time to time.

From and after the occurrence of any Event of Default (as defined in the Loan Agreement, and also referred to in this Note as a “**Default**”), and so long as any such Default remains unremedied or uncured thereafter, the Indebtedness outstanding under this Note shall bear interest at the Default Rate (as defined in the Loan Agreement), which interest shall be payable upon demand. In addition to the foregoing, a late payment charge equal to five percent (5%) of each late payment hereunder may be charged on any payment not received by Bank within ten (10) calendar days after the payment due date therefor, but acceptance of payment of any such charge shall not constitute a waiver of any Default hereunder; provided, however, the late charge shall not be applicable with respect to the outstanding principal balance of this Note upon the maturity of this Note (whether occurring by virtue of acceleration, on the stated maturity date, or otherwise).

In no event shall the interest payable under this Note at any time exceed the Maximum Lawful Rate (as defined in the Loan Agreement). Reference is made to Section 2.10 of Addendum 2 of the Loan Agreement for the terms related to the application of the Maximum Lawful Rate.

The amount from time to time outstanding under this Note, the Applicable Interest Rate(s), the Interest Period(s), if applicable, and the amount and date of any repayment shall be noted on Bank’s records, which records shall be conclusive evidence thereof, absent manifest error; provided, however, any failure by Bank to make any such notation, or any error in any such notation, shall not relieve the undersigned of its/their obligations to repay Bank all amounts payable by the undersigned to Bank under or pursuant to this Note, when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate is at any time the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding under this Note, effective as of the last day of the Interest Period applicable to such LIBOR-based Rate and as of the last day of each succeeding Interest Period, the LIBOR-based Rate for such Indebtedness shall be determined as of each such date in accordance with the terms of this Note, and the LIBOR-based Rate plus the Applicable Margin shall continue to be the Applicable Interest Rate for and in respect of such Indebtedness for successive Interest Periods equal to the same period of time as the Interest Period then ending for such LIBOR-based Rate (but not less than one (1) month), unless the LIBOR-based Rate is not available to the undersigned as the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding hereunder in accordance with the terms of this Note, in which case the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate hereunder in respect of such Indebtedness for such period, subject in all respects to the terms and conditions of this Note. The foregoing shall not in any way whatsoever limit or otherwise affect any of Bank’s rights or remedies under this Note upon the occurrence of any Default hereunder, or any condition or event which, with the giving of notice or the running of time, or both, would constitute a Default.

Subject to the definition of an “Interest Period” hereunder, in the event that any payment under this Note becomes due and payable on any day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day, and, to the extent applicable, interest shall continue to accrue and be payable thereon during such extension at the rates set forth in this Note.

All payments to be made by the undersigned to Bank under or pursuant to this Note shall be in immediately available United States funds, without setoff or counterclaim, and in the event that any payments submitted hereunder are in funds not available until collected, said payments shall continue to bear interest until collected. The undersigned hereby authorize(s) Bank to charge any account(s) of the undersigned (or any of them) with Bank for all sums due hereunder when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate plus the Applicable Margin is the Applicable Interest Rate for the principal Indebtedness outstanding under this Note, and any payment or prepayment of any such Indebtedness shall occur on any day other than the last day of the Interest Period applicable thereto (whether voluntarily, by acceleration, required payment or otherwise), or if the undersigned shall fail to make any payment of principal or interest hereunder at any time that the LIBOR-based Rate is the basis for the Applicable Interest Rate hereunder in respect of such Indebtedness, the undersigned shall reimburse Bank, on demand, for any resulting loss, cost or expense incurred by Bank as a result thereof, including, without limitation, any such loss, cost or expense incurred in obtaining, liquidating, employing or redeploying deposits from third parties ("**LIBOR Costs**"). Such amount payable by the undersigned to Bank may include, without limitation, an amount equal to the excess, if any, of (a) the amount of interest which would have accrued on the amount so prepaid, for the period from the date of such prepayment through the last day of the relevant Interest Period, at the applicable rate of interest provided under this Note, over (b) the amount of interest (as reasonably determined by Bank) which would have accrued to Bank on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. Calculation of any amounts payable to Bank under this paragraph shall be made as though Bank shall have actually funded or committed to fund the relevant Indebtedness hereunder through the purchase of an underlying deposit in an amount equal to the amount of such Indebtedness and having a maturity comparable to the relevant Interest Period; provided, however, that Bank may fund the Indebtedness hereunder in any manner it deems fit and the foregoing assumptions shall be utilized only for the purpose of the calculation of amounts payable under this paragraph. Upon the written request of the undersigned, Bank shall deliver to the undersigned a certificate setting forth the basis for determining such losses, costs and expenses, which certificate shall be conclusively presumed correct, absent manifest error. The undersigned may prepay all or any part of the outstanding balance of any Indebtedness hereunder at any time without premium or penalty, provided, however, that if the undersigned prepays any part of the outstanding balance of any Indebtedness hereunder which is bearing interest at such time based upon the LIBOR-based Rate, the undersigned shall pay to the Bank LIBOR Costs incurred by the Bank due to such prepayment. Any prepayment hereunder shall also be accompanied by the payment of all accrued and unpaid interest on the amount so prepaid. Partial prepayments hereunder shall be applied to the installments hereunder in the inverse order of their maturities.

For any Indebtedness hereunder for which the Applicable Interest Rate is at any time based upon the LIBOR-based Rate, if Bank shall designate a LIBOR Lending Office which maintains books separate from those of the rest of Bank, Bank shall have the option of maintaining and carrying this Note and the relevant Indebtedness hereunder on the books of such LIBOR Lending Office.

If, at any time, Bank determines that, (a) Bank is unable to determine or ascertain the LIBOR-based Rate, or (b) by reason of circumstances affecting the foreign exchange and interbank markets generally, deposits in eurodollars in the applicable amounts or for the relative maturities are not being offered to Bank for any applicable Interest Period, or (c) the LIBOR-based Rate plus the Applicable Margin will not accurately or fairly cover or reflect the cost to Bank of maintaining any of the Indebtedness under this Note based upon the LIBOR-based Rate, then Bank shall forthwith give notice thereof to the undersigned. Thereafter, until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness outstanding under this Note at an Applicable Interest Rate based upon the LIBOR-based Rate or the rights of the undersigned to request an Advanced based on a LIBOR-based Rate shall be suspended, and the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for all Indebtedness hereunder during such period of time. Otherwise, the LIBOR-based Rate plus the Applicable Margin will be the Applicable Interest Rate for all Indebtedness hereunder.

If any Change in Law shall make it unlawful or impossible for the Bank (or its LIBOR Lending Office) to make or maintain any of the Indebtedness under this Note with interest based upon the LIBOR-based Rate, Bank shall forthwith give written notice thereof to the undersigned specifying such Change in Law. Thereafter, (a) until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate, and thereafter, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the Indebtedness hereunder during such period of time, and (b) if Bank may not lawfully continue to maintain the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate to the end of the then current Interest Period applicable thereto, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the remainder of such Interest Period.

If any Change in Law shall (a) subject Bank (or its LIBOR Lending Office) to any tax, duty or other charge with respect to this Note or any Indebtedness hereunder, or shall change the basis of taxation of payments to Bank (or its LIBOR Lending Office) of the principal of or interest under this Note or any other amounts due under this Note in respect thereof (except for changes in the rate of tax on the overall net income of Bank or its LIBOR Lending Office imposed by the jurisdiction in which Bank's principal executive office or LIBOR Lending Office is located); or (b) impose, modify or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Bank (or its LIBOR Lending Office), or shall impose on Bank (or its LIBOR Lending Office) or the foreign exchange and interbank markets any other condition affecting this Note or the Indebtedness hereunder; and the result of any of the foregoing is to increase the cost to Bank of maintaining any part of the Indebtedness hereunder or to reduce the amount of any sum received or receivable by Bank under this Note by an amount deemed by the Bank to be material, then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, such additional amount or amounts as will compensate Bank for such increased cost or reduction. A certificate of Bank, prepared in good faith and in reasonable detail by Bank and submitted by Bank to the undersigned, setting forth the basis for determining such additional amount or amounts necessary to compensate Bank shall be conclusive and binding for all purposes, absent manifest error.

In the event that any Change in Law affects or would affect the amount of capital required or expected to be maintained by Bank (or any corporation controlling Bank), and Bank determines that the amount of such capital is increased by or based upon the existence of any obligations of Bank hereunder or the maintaining of any Indebtedness hereunder, and such increase has the effect of reducing the rate of return on Bank's (or such controlling corporation's) capital as a consequence of such obligations or the maintaining of such Indebtedness hereunder to a level below that which Bank (or such controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy), then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, additional amounts as are sufficient to compensate Bank (or such controlling corporation) for any increase in the amount of capital and reduced rate of return which Bank reasonably determines to be allocable to the existence of any obligations of the Bank hereunder or to maintaining any Indebtedness hereunder. A certificate of Bank as to the amount of such compensation, prepared in good faith and in reasonable detail by the Bank and submitted by Bank to the undersigned, shall be conclusive and binding for all purposes absent manifest error.

This Note and any other indebtedness and liabilities of any kind of the undersigned (or any of them) to the Bank, and any and all modifications, renewals or extensions of it, whether joint or several, contingent or absolute, now existing or later arising, and however evidenced and whether incurred voluntarily or involuntarily, known or unknown, or originally payable to the Bank or to a third party and subsequently acquired by Bank including, without limitation, any late charges; loan fees or charges; overdraft indebtedness; costs incurred by Bank in establishing, determining, continuing or defending the validity or priority of any security interest, pledge or other lien or in pursuing any of its rights or remedies under any Loan Document (or otherwise) or in connection with any proceeding involving the Bank as a result of any financial accommodation to the undersigned (or any of them); and reasonable costs and expenses of

attorneys and paralegals, whether inside or outside counsel is used, and whether any suit or other action is instituted, and to court costs if suit or action is instituted, and whether any such fees, costs or expenses are incurred at the trial court level or on appeal, in bankruptcy, in administrative proceedings, in probate proceedings or otherwise (collectively "**Indebtedness**") are secured by and the Bank is granted a security interest in and lien upon all items deposited in any account of any of the undersigned with the Bank and by all proceeds of these items (cash or otherwise), all account balances of any of the undersigned from time to time with the Bank, by all property of any of the undersigned from time to time in the possession of the Bank and by any other collateral, rights and properties described in each and every deed of trust, mortgage, security agreement, pledge, assignment and other security or collateral agreement which has been, or will at any time(s) later be, executed by any (or all) of the undersigned to or for the benefit of the Bank (collectively "**Collateral**"). Notwithstanding the above, (i) to the extent that any portion of the Indebtedness is a consumer loan, that portion shall not be secured by any deed of trust or mortgage on or other security interest in any of the undersigned's principal dwelling or in any of the undersigned's real property which is not a purchase money security interest as to that portion, unless expressly provided to the contrary in another place, or (ii) if the undersigned (or any of them) has (have) given or give(s) Bank a deed of trust or mortgage covering California real property, that deed of trust or mortgage shall not secure this Note or any other indebtedness of the undersigned (or any of them), unless expressly provided to the contrary in another place, or (iii) if the undersigned (or any of them) has (have) given or give(s) the Bank a deed of trust or mortgage covering real property which, under Texas law, constitutes the homestead of such person, that deed of trust or mortgage shall not secure this Note or any other indebtedness of the undersigned (or any of them) unless expressly provided to the contrary in another place.

If an Event of Default (as defined in the Loan Agreement) occurs and is continuing, then the Bank may, at its option and without prior notice to the undersigned (or any of them), declare any or all of the Indebtedness to be immediately due and payable, sell or liquidate all or any portion of the Collateral, set off against the Indebtedness any amounts owing by the Bank to the undersigned (or any of them), charge interest at the Default Rate and exercise any one or more of the rights and remedies granted to the Bank by any Loan Document or given to it under applicable law.

The undersigned authorize(s) the Bank to charge any account(s) of the undersigned (or any of them) with the Bank for any and all sums due hereunder when due; provided, however, that such authorization shall not affect any of the undersigned's obligation to pay to the Bank all amounts when due, whether or not any such account balances that are maintained by the undersigned with the Bank are insufficient to pay to the Bank any amounts when due, and to the extent that are insufficient to pay to the Bank all such amounts, the undersigned shall remain liable for any deficiencies until paid in full.

If this Note is signed by two or more parties (whether by all as makers or by one or more as an accommodation party or otherwise), the obligations and undertakings under this Note shall be that of all and any two or more jointly and also of each severally. This Note shall bind the undersigned, and the undersigned's respective heirs, personal representatives, successors and assigns.

Except for notices expressly required under any of the Loan Documents, the undersigned waive(s) presentment, demand, protest, notice of dishonor, notice of demand or intent to demand, notice of acceleration or intent to accelerate, and all other notices, and agree(s) that no extension or indulgence to the undersigned (or any of them) or release, substitution or nonenforcement of any security, or release or substitution of any of the undersigned, any guarantor or any other party, whether with or without notice, shall affect the obligations of any of the undersigned. The undersigned waive(s) all defenses or right to discharge available under Section 3-605 of the Texas Uniform Commercial Code and waive(s) all other suretyship defenses or right to discharge. The undersigned agree(s) that the Bank has the right to sell, assign, or grant participations or any interest in, any or all of the Indebtedness, and that, in connection with this right, but without limiting its ability to make other disclosures to the full extent allowable, the Bank may disclose all documents and information which the Bank now or later has relating to the undersigned or the Indebtedness. The undersigned agree(s) that the Bank may provide information relating to this Note or relating to the undersigned to the Bank's parent, affiliates, subsidiaries and service providers.

The undersigned agree(s) to pay or reimburse to Bank, or any other holder or owner of this Note, on demand, for any and all costs and expenses of Bank (including, without limit, court costs, legal expenses and reasonable attorneys' fees, whether inside or outside counsel is used, whether or not suit is instituted, and, if suit is instituted, whether at the trial court level, appellate level, in a bankruptcy, probate or administrative proceeding or otherwise) incurred in connection with the preparation, execution, delivery, amendment, administration, and performance of this Note and the related documents, or incurred in collecting or attempting to collect this Note or the Indebtedness, or incurred in any other matter or proceeding relating to this Note or the Indebtedness.

The undersigned acknowledge(s) and agree(s) that there are no contrary agreements, oral or written, establishing a term of this Note and agree(s) that the terms and conditions of this Note may not be amended, waived or modified except in a writing signed by an officer of the Bank expressly stating that the writing constitutes an amendment, waiver or modification of the terms of this Note. As used in this Note, the word "undersigned" means, individually and collectively, each maker, accommodation party, endorser and other party signing this Note in a similar capacity. If any provision of this Note is unenforceable in whole or part for any reason, the remaining provisions shall continue to be effective. Chapter 346 of the Texas Finance Code (and as the same may be incorporated by reference in other Texas statutes) shall not apply to the Indebtedness evidenced by this Note. **THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.**

The indebtedness evidenced by this Note is in renewal, extension and modification, but not in extinguishment or novation, of the indebtedness evidenced by that certain Promissory Note dated as of December 31, 2012, in the original principal sum of \$3,000,000.00, executed by the undersigned, payable to the order of Bank.

This Note and all other documents, instruments and agreements evidencing, governing, securing, guaranteeing or otherwise relating to or executed pursuant to or in connection with this Note or the Indebtedness evidenced hereby (whether executed and delivered prior to, concurrently with or subsequent to this Note), as such documents may have been or may hereafter be amended from time to time (collectively, the "**Loan Documents**") are intended to be performed in accordance with, and only to the extent permitted by, all applicable usury laws. If any provision hereof or of any of the other Loan Documents or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, neither the application of such provision to any other person or circumstance nor the remainder of the instrument in which such provision is contained shall be affected thereby and shall be enforced to the greatest extent permitted by law. It is expressly stipulated and agreed to be the intent of the holder hereof to at all times comply with the usury and other applicable laws now or hereafter governing the interest payable on the indebtedness evidenced by this Note. If the applicable law is ever revised, repealed or judicially interpreted so as to render usurious any amount called for under this Note or under any of the other Loan Documents, or contracted for, charged, taken, reserved or received with respect to the indebtedness evidenced by this Note, or if Bank's exercise of the option to accelerate the maturity of this Note, or if any prepayment by the undersigned or prepayment agreement results (or would, if complied with, result) in the undersigned having paid, contracted for or being charged for any interest in excess of that permitted by law, then it is the express intent of the undersigned and Bank that this Note and the other Loan Documents shall be limited to the extent necessary to prevent such result and all excess amounts theretofore collected by Bank shall be credited on the principal balance of this Note or, if fully paid, upon such other Indebtedness as shall then remain outstanding (or, if this Note and all other Indebtedness have been paid in full, refunded to the undersigned), and the provisions of this Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectable hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid, or agreed to be paid, by the undersigned for the use, forbearance, detention, taking, charging, receiving or reserving of the indebtedness of the undersigned to Bank under this Note or arising under or pursuant to the other Loan Documents shall, to the maximum extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until

payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the usury ceiling from time to time in effect and applicable to such indebtedness for so long as such indebtedness is outstanding. To the extent federal law permits Bank to contract for, charge or receive a greater amount of interest, Bank will rely on federal law instead of the Texas Finance Code, as supplemented by Texas Credit Title, for the purpose of determining the Maximum Rate. Additionally, to the maximum extent permitted by applicable law now or hereafter in effect, Bank may, at its option and from time to time, implement any other method of computing the Maximum Rate under the Texas Finance Code, as supplemented by Texas Credit Title, or under other applicable law, by giving notice, if required, to the undersigned as provided by applicable law now or hereafter in effect. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Bank to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

For the purposes of this Note, the following terms have the following meanings:

**“Advance”** means the presentment and drawing under a Letter of Credit (as defined in the Loan Agreement) under this Note, including the conversion of any such outstanding Advance to another type of Advance, and shall include an Advance based on a LIBOR-based Rate and (subject to the terms of this Note) a Prime-based Advance.

**“Applicable Interest Rate”** means, in respect of all or any part of the Indebtedness hereunder, either the LIBOR-based Rate plus the Applicable Margin or (subject to the terms of this Note) the Prime Referenced Rate plus the Applicable Margin, as determined in accordance with the terms and conditions of this Note; provided, however, in no event shall the Applicable Interest Rate be less than six percent (6.0%) per annum.

**“Change in Law”** means the occurrence, after the date hereof, of any of the following: (i) the adoption or introduction of, or any change in any applicable law, treaty, rule or regulation (whether domestic or foreign) now or hereafter in effect and whether or not applicable to Bank on such date, or (ii) any change in interpretation, administration or implementation thereof of any such law, treaty, rule or regulation by any Governmental Authority, or (iii) the issuance, making or implementation by any Governmental Authority of any interpretation, administration, request, regulation, guideline, or directive (whether or not having the force of law), including any risk-based capital guidelines. For purposes of this definition, (x) a change in law, treaty, rule, regulation, interpretation, administration or implementation shall include, without limitation, any change made or which becomes effective on the basis of a law, treaty, rule, regulation, interpretation administration or implementation then in force, the effective date of which change is delayed by the terms of such law, treaty, rule, regulation, interpretation, administration or implementation, and (y) the Dodd-Frank Wall Street Reform and Consumer Protection Act (Pub. L. 111-203, H.R. 4173) and all requests, rules, regulations, guidelines, interpretations or directives promulgated thereunder or issued in connection therewith shall be deemed to be a “Change in Law”, regardless of the date enacted, adopted, issued or promulgated, whether before or after the date hereof, and (z) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall each be deemed to be a “Change in Law”, regardless of the date enacted, adopted, issued or implemented.

**“Governmental Authority”** means the government of the United States of America or any other nation, or of any political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government (including, without limitation, any supranational bodies such as the European Union or the European Central Bank).

**“Interest Period”** means, a period of one (1) month, or as otherwise determined pursuant to and in accordance with the terms of this Note, commencing on the date of an Advance, or in the case of successive continuations of the LIBOR-based Rate plus the Applicable Margin as the Applicable Interest Rate hereunder, as herein provided, on the last day of the preceding Interest Period then ending, provided that:

(a) any Interest Period which would otherwise end on a day which is not a Business Day shall be extended to the next succeeding Business Day, except that if the next succeeding Business Day falls in another calendar month, the Interest Period shall end on the next preceding Business Day, and when an Interest Period begins on a day which has no numerically corresponding day in the calendar month during which such Interest Period is to end, it shall end on the last Business Day of such calendar month; and

(b) Interest Period shall not extend beyond the Maturity Date.

**“LIBOR-based Rate”** means a per annum interest rate which is equal to the quotient of the following:

(a) the LIBOR Rate;

divided by

(b) 1.00 minus the maximum rate (expressed as a decimal) during such Interest Period at which Bank is required to maintain reserves on “Euro-currency Liabilities” as defined in and pursuant to Regulation D of the Board of Governors of the Federal Reserve System or, if such regulation or definition is modified, and as long as Bank is required to maintain reserves against a category of liabilities which includes eurodollar deposits or includes a category of assets which includes eurodollar loans, the rate at which such reserves are required to be maintained on such category.

**“LIBOR Lending Office”** means Bank’s office located in the Cayman Islands, British West Indies, or such other branch of Bank, domestic or foreign, as it may hereafter designate as its LIBOR Lending Office by notice to the undersigned.

**“LIBOR Rate”** means, with respect to any Indebtedness outstanding under this Note bearing interest on the basis of the LIBOR-based Rate, the per annum rate of interest determined on the basis of the rate for deposits in United States Dollars for a period equal to the relevant Interest Period for such Indebtedness, commencing on the first day of such Interest Period, appearing on Page BBAM of the Bloomberg Financial Markets Information Service as of 11:00 a.m. (Dallas, Texas time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period. In the event that such rate does not appear on Page BBAM of the Bloomberg Financial Markets Information Service (or otherwise on such Service), the “LIBOR Rate” shall be determined by reference to such other publicly available service for displaying eurodollar rates as may be reasonably selected by Bank, or, in the absence of such other service, the “LIBOR Rate” shall, instead, be determined based upon the average of the rates at which Bank is offered dollar deposits at or about 11:00 a.m. (Dallas, Texas time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period in the interbank eurodollar market in an amount comparable to the amount

**“Prime Rate”** means the greater of (i) the per annum interest rate established by Bank as its prime rate for its borrowers, as such rate may vary from time to time, which rate is not necessarily the lowest rate on loans made by Bank at any such time or (ii) the rate of interest equal to the sum of (a) one percent (1%), and (b) the rate of interest equal to the average of the rates on overnight Federal funds transactions with members of the Federal Reserve System arranged by Federal funds brokers (the “Overnight Rates”), as published by the Federal Reserve Bank of New York, or, if the Overnight Rates are not so published for any day, the average of the quotations for the Overnight Rates received by Bank from three (3) Federal funds brokers of recognized standing selected by Bank, as the same may be changed from time to time.

**“Prime Referenced Rate”** means a per annum interest rate which is equal to the Prime Rate.

No delay or failure of Bank in exercising any right, power or privilege hereunder shall affect such right, power or privilege, nor shall any single or partial exercise thereof preclude any further exercise thereof, or the exercise of any other power, right or privilege. The rights of Bank under this Note are cumulative and not exclusive of any right or remedies which Bank would otherwise have, whether by other instruments or by law.

**THE UNDERSIGNED AND BANK, BY ACCEPTANCE OF THIS NOTE, ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED UNDER CERTAIN CIRCUMSTANCES. TO THE EXTENT PERMITTED BY LAW, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE OR THE INDEBTEDNESS.**

LIBOR-based Rate (Term Loan)

<b>AMOUNT</b>	<b>NOTE DATE</b>	<b>MATURITY DATE</b>
\$20,000,000.00	August 21, 2015	August 31, 2017

For value received, the undersigned promise(s) to pay to the order of COMERICA BANK (herein called “**Bank**”), at any office of the Bank in the State of Texas, the principal sum of TWENTY MILLION AND NO/100 DOLLARS (\$20,000,000.00), or, if less, the total of advances from time to time made hereon and remaining outstanding, together with interest in accordance with the terms and conditions contained herein.

This Note evidences the Term Loan Tranche (as defined in the Loan Agreement).

Subject to the terms and conditions of this Note, the unpaid principal balance outstanding under this Note from time to time shall bear interest at the LIBOR-based Rate plus the Applicable Margin, except during any period of time during which, in accordance with the terms and conditions of this Note, the Indebtedness hereunder shall bear interest at the Prime Referenced Rate plus the Applicable Margin.

The LIBOR-based Rate plus the Applicable Margin shall be the Applicable Interest Rate under this Note from the date of this Note, as set forth above, until the end of the Interest Period applicable to such LIBOR-based Rate, which shall be the first Business Day of the next succeeding month following the date of this Note. Effective as of the first Business Day of such next succeeding month, and as of the first Business Day of each succeeding month thereafter, the LIBOR-based Rate for the Interest Period commencing as of each such date shall become effective and such LIBOR-based Rate plus the Applicable Margin shall continue to be the Applicable Interest Rate for and in respect of the unpaid principal Indebtedness from time to time outstanding under this Note during such Interest Period, unless the LIBOR-based Rate is not otherwise available to the undersigned as the basis for the Applicable Interest Rate hereunder for the principal Indebtedness outstanding hereunder in accordance with the terms of this Note, in which case, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate hereunder in respect of such Indebtedness for such period, subject in all respects to the terms and conditions of this Note. The foregoing shall not in any way whatsoever limit or otherwise affect any of Bank's rights or remedies under this Note upon the occurrence of any Default hereunder, or any condition or event which, with the giving of notice or the running of time, or both, would constitute a Default.

Interest accruing hereunder on the basis of the Prime Referenced Rate (to the extent applicable) shall be computed on the basis of a 360-day year, and shall be assessed for the actual number of days elapsed, and in such computation, effect shall be given to any change in the Applicable Interest Rate as a result of any change in the Prime Referenced Rate, on the date of each such change. Interest accruing on the basis of the LIBOR-based Rate shall be computed on the basis of a 360 day year and shall be assessed for the actual number of days elapsed from the first day of the Interest Period applicable thereto but not including the last day thereof.

Payments under this Note shall be first applied to accrued and unpaid interest hereunder and the balance, if any, to principal.

Accrued and unpaid interest hereunder shall be payable monthly, in arrears, on the fifth (5th) day of each month, commencing on September 5, 2015, and on a like day of each succeeding month thereafter, until the Maturity Date, when the entire unpaid balance of principal and interest under this Note shall be due and payable (unless sooner accelerated in accordance with the terms of this Note). In addition to the foregoing interest payments, principal payments shall be due and payable in the amounts and on the dates provided in Exhibit A attached hereto. Unless sooner accelerated in accordance with the terms of this Note, the entire remaining unpaid balance of principal and accrued interest on this Note shall be payable on the Maturity Date set forth above.

Subject to the terms and conditions of this Note and the other Loan Documents (defined below), advances of principal may be made hereunder until, but not after, October 31, 2015, subject to the terms and conditions of the Loan Agreement. The sum of all advances made hereunder shall not exceed the face amount hereof, and amounts repaid may not be reborrowed. The principal amount payable under this Note shall be the sum of all advances made by the Bank to or at the request of the undersigned less principal payments actually received by the Bank. The books and records of the Bank shall be the best evidence of the principal amount and the unpaid interest amount owing at any time under this Note and shall be conclusive absent manifest error.

From and after the occurrence of any Event of Default (as defined in the Loan Agreement, and also referred to in this Note as a “**Default**”), and so long as any such Event of Default remains unremedied or uncured thereafter, the Indebtedness outstanding under this Note shall bear interest the Default Rate (as defined in the Loan Agreement), which interest shall be payable upon demand. In addition to the foregoing, a late payment charge equal to five percent (5%) of each late payment hereunder may be charged on any payment not received by Bank within ten (10) calendar days after the payment due date therefor (excluding the final installment due on maturity, whether by acceleration or otherwise), but acceptance of payment of any such charge shall not constitute a waiver of any Event of Default hereunder; provided, however, the late charge shall not be applicable with respect to the outstanding principal balance of this Note upon the maturity of this Note (whether occurring by virtue of acceleration, on the stated maturity date, or otherwise).

In no event shall the interest payable under this Note at any time exceed the Maximum Lawful Rate (as defined in the Loan Agreement). Reference is made to Section 2.10 of Addendum 2 of the Loan Agreement for the terms related to the application of the Maximum Lawful Rate.

The amount from time to time outstanding under this Note, the Applicable Interest Rate(s), the Interest Period(s), if applicable, and the amount and date of any repayment shall be noted on Bank’s records, which records shall be conclusive evidence thereof, absent manifest error; provided, however, any failure by Bank to make any such notation, or any error in any such notation, shall not relieve the undersigned of its/their obligations to repay Bank all amounts payable by the undersigned to Bank under or pursuant to this Note, when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate is at any time the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding under this Note, effective as of the

last day of the Interest Period applicable to such LIBOR-based Rate and as of the last day of each succeeding Interest Period, the LIBOR-based Rate for such Indebtedness shall be determined as of each such date in accordance with the terms of this Note, and the LIBOR-based Rate plus the Applicable Margin shall continue to be the Applicable Interest Rate for and in respect of such Indebtedness for successive Interest Periods equal to the same period of time as the Interest Period then ending for such LIBOR-based Rate (but not less than one (1) month), unless the LIBOR-based Rate is not available to the undersigned as the basis for the Applicable Interest Rate for all or any part of the principal Indebtedness outstanding hereunder in accordance with the terms of this Note, in which case the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate hereunder in respect of such Indebtedness for such period, subject in all respects to the terms and conditions of this Note. The foregoing shall not in any way whatsoever limit or otherwise affect any of Bank's rights or remedies under this Note upon the occurrence of any Event of Default hereunder, or any condition or event which, with the giving of notice or the running of time, or both, would constitute a Event of Default.

Subject to the definition of an "Interest Period" hereunder, in the event that any payment under this Note becomes due and payable on any day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day, and, to the extent applicable, interest shall continue to accrue and be payable thereon during such extension at the rates set forth in this Note.

All payments to be made by the undersigned to Bank under or pursuant to this Note shall be in immediately available United States funds, without setoff or counterclaim, and in the event that any payments submitted hereunder are in funds not available until collected, said payments shall continue to bear interest until collected. The undersigned hereby authorize(s) Bank to charge any account(s) of the undersigned (or any of them) with Bank for all sums due hereunder when due in accordance with the terms hereof.

In the event that the LIBOR-based Rate plus the Applicable Margin is the Applicable Interest Rate for the principal Indebtedness outstanding under this Note, and any payment or prepayment of any such Indebtedness shall occur on any day other than the last day of the Interest Period applicable thereto (whether voluntarily, by acceleration, required payment or otherwise), or if the undersigned shall fail to make any payment of principal or interest hereunder at any time that the LIBOR-based Rate is the basis for the Applicable Interest Rate hereunder in respect of such Indebtedness, the undersigned shall reimburse Bank, on demand, for any resulting loss, cost or expense incurred by Bank as a result thereof, including, without limitation, any such loss, cost or expense incurred in obtaining, liquidating, employing or redeploying deposits from third parties ("**LIBOR Costs**"). Such amount payable by the undersigned to Bank may include, without limitation, an amount equal to the excess, if any, of (a) the amount of interest which would have accrued on the amount so prepaid, for the period from the date of such prepayment through the last day of the relevant Interest Period, at the applicable rate of interest provided under this Note, over (b) the amount of interest (as reasonably determined by Bank) which would have accrued to Bank on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. Calculation of any amounts payable to Bank under this paragraph shall be made as though Bank shall have actually funded or committed to fund the relevant Indebtedness hereunder through the purchase of an underlying deposit in an amount equal to the amount of such Indebtedness and having a maturity comparable to the relevant Interest Period; provided, however, that Bank may fund the Indebtedness hereunder in any

manner it deems fit and the foregoing assumptions shall be utilized only for the purpose of the calculation of amounts payable under this paragraph. Upon the written request of the undersigned, Bank shall deliver to the undersigned a certificate setting forth the basis for determining such losses, costs and expenses, which certificate shall be conclusively presumed correct, absent manifest error. The undersigned may prepay all or any part of the outstanding balance of any Indebtedness hereunder at any time without premium or penalty, provided, however, that if the undersigned prepays any part of the outstanding balance of any Indebtedness hereunder which is bearing interest at such time based upon the LIBOR-based Rate, the undersigned shall pay to the Bank LIBOR Costs incurred by the Bank due to such prepayment. Any prepayment hereunder shall also be accompanied by the payment of all accrued and unpaid interest on the amount so prepaid. Partial prepayments hereunder shall be applied to the installments hereunder in the inverse order of their maturities.

For any Indebtedness hereunder for which the Applicable Interest Rate is at any time based upon the LIBOR-based Rate, if Bank shall designate a LIBOR Lending Office which maintains books separate from those of the rest of Bank, Bank shall have the option of maintaining and carrying this Note and the relevant Indebtedness hereunder on the books of such LIBOR Lending Office.

If, at any time, Bank determines that, (a) Bank is unable to determine or ascertain the LIBOR-based Rate, or (b) by reason of circumstances affecting the foreign exchange and interbank markets generally, deposits in eurodollars in the applicable amounts or for the relative maturities are not being offered to Bank for any applicable Interest Period, or (c) the LIBOR-based Rate plus the Applicable Margin will not accurately or fairly cover or reflect the cost to Bank of maintaining any of the Indebtedness under this Note based upon the LIBOR-based Rate, then Bank shall forthwith give notice thereof to the undersigned. Thereafter, until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness outstanding under this Note at an Applicable Interest Rate based upon the LIBOR-based Rate shall be suspended, and the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for all Indebtedness hereunder during such period of time.

If any Change in Law shall make it unlawful or impossible for the Bank (or its LIBOR Lending Office) to make or maintain any of the Indebtedness under this Note with interest based upon the LIBOR-based Rate, Bank shall forthwith give written notice thereof to the undersigned specifying such Change in Law. Thereafter, (a) until Bank notifies the undersigned that such conditions or circumstances no longer exist, any obligation of the Bank to maintain any of the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate shall be suspended, and thereafter, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the Indebtedness hereunder during such period of time, and (b) if Bank may not lawfully continue to maintain the Indebtedness hereunder at an Applicable Interest Rate based upon the LIBOR-based Rate to the end of the then current Interest Period applicable thereto, the Prime Referenced Rate plus the Applicable Margin shall be the Applicable Interest Rate for the remainder of such Interest Period.

If any Change in Law shall (a) subject Bank (or its LIBOR Lending Office) to any tax, duty or other charge with respect to this Note or any Indebtedness hereunder, or shall change the basis of taxation of payments to Bank (or its LIBOR Lending Office) of the principal of or interest under this Note or any other amounts due under this Note in respect thereof (except for changes in the

rate of tax on the overall net income of Bank or its LIBOR Lending Office imposed by the jurisdiction in which Bank's principal executive office or LIBOR Lending Office is located); or (b) impose, modify or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Bank (or its LIBOR Lending Office), or shall impose on Bank (or its LIBOR Lending Office) or the foreign exchange and interbank markets any other condition affecting this Note or the Indebtedness hereunder; and the result of any of the foregoing is to increase the cost to Bank of maintaining any part of the Indebtedness hereunder or to reduce the amount of any sum received or receivable by Bank under this Note by an amount deemed by the Bank to be material, then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, such additional amount or amounts as will compensate Bank for such increased cost or reduction. A certificate of Bank, prepared in good faith and in reasonable detail by Bank and submitted by Bank to the undersigned, setting forth the basis for determining such additional amount or amounts necessary to compensate Bank shall be conclusive and binding for all purposes, absent manifest error.

In the event that any Change in Law affects or would affect the amount of capital required or expected to be maintained by Bank (or any corporation controlling Bank), and Bank determines that the amount of such capital is increased by or based upon the existence of any obligations of Bank hereunder or the maintaining of any Indebtedness hereunder, and such increase has the effect of reducing the rate of return on Bank's (or such controlling corporation's) capital as a consequence of such obligations or the maintaining of such Indebtedness hereunder to a level below that which Bank (or such controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy), then the undersigned shall pay to Bank, within fifteen (15) days of the undersigned's receipt of written notice from Bank demanding such compensation, additional amounts as are sufficient to compensate Bank (or such controlling corporation) for any increase in the amount of capital and reduced rate of return which Bank reasonably determines to be allocable to the existence of any obligations of the Bank hereunder or to maintaining any Indebtedness hereunder. A certificate of Bank as to the amount of such compensation, prepared in good faith and in reasonable detail by the Bank and submitted by Bank to the undersigned, shall be conclusive and binding for all purposes absent manifest error.

This Note and any other indebtedness and liabilities of any kind of the undersigned (or any of them) to the Bank, and any and all modifications, renewals or extensions of it, whether joint or several, contingent or absolute, now existing or later arising, and however evidenced and whether incurred voluntarily or involuntarily, known or unknown, or originally payable to the Bank or to a third party and subsequently acquired by Bank including, without limitation, any late charges; loan fees or charges; overdraft indebtedness; costs incurred by Bank in establishing, determining, continuing or defending the validity or priority of any security interest, pledge or other lien or in pursuing any of its rights or remedies under any Loan Document (or otherwise) or in connection with any proceeding involving the Bank as a result of any financial accommodation to the undersigned (or any of them); and reasonable costs and expenses of attorneys and paralegals, whether inside or outside counsel is used, and whether any suit or other action is instituted, and to court costs if suit or action is instituted, and whether any such fees, costs or expenses are incurred at the trial court level or on appeal, in bankruptcy, in administrative proceedings, in probate proceedings or otherwise (collectively "**Indebtedness**")

are secured by and the Bank is granted a security interest in and lien upon all items deposited in any account of the undersigned with the Bank and by all proceeds of these items (cash or otherwise), all account balances of the undersigned from time to time with the Bank, by all property of the undersigned from time to time in the possession of the Bank and by any other collateral, rights and properties described in each and every deed of trust, mortgage, security agreement, pledge, assignment and other security or collateral agreement which has been, or will at any time(s) later be, executed by the any (or all) of undersigned to or for the benefit of the Bank (collectively "**Collateral**"). Notwithstanding the above, (i) to the extent that any portion of the Indebtedness is a consumer loan, that portion shall not be secured by any deed of trust or mortgage on or other security interest in the undersigned's principal dwelling or in the undersigned's real property which is not a purchase money security interest as to that portion, unless expressly provided to the contrary in another place, or (ii) if the undersigned (or any of them) has (have) given or give(s) the Bank a deed of trust or mortgage covering real property which, under Texas law, constitutes the homestead of such person, that deed of trust or mortgage shall not secure this Note or any other indebtedness of the undersigned (or any of them) unless expressly provided to the contrary in another place.

If an Event of Default (as defined in the Loan Agreement) occurs and is continuing, then the Bank may, at its option and without prior notice to the undersigned (or any of them), declare any or all of the Indebtedness to be immediately due and payable, sell or liquidate all or any portion of the Collateral, set off against the Indebtedness any amounts owing by the Bank to the undersigned (or any of them), charge interest at the Default Rate and exercise any one or more of the rights and remedies granted to the Bank by any Loan Document or given to it under applicable law.

The undersigned authorize(s) the Bank to charge any account(s) of the undersigned (or any of them) with the Bank for any and all sums due hereunder when due; provided, however, that such authorization shall not affect the undersigned's obligation to pay to the Bank all amounts when due, whether or not any such account balances that are maintained by the undersigned with the Bank are insufficient to pay to the Bank any amounts when due, and to the extent that are insufficient to pay to the Bank all such amounts, the undersigned shall remain liable for any deficiencies until paid in full.

If this Note is signed by two or more parties (whether by all as makers or by one or more as an accommodation party or otherwise), the obligations and undertakings under this Note shall be that of all and any two or more jointly and also of each severally. This Note shall bind the undersigned, and the undersigned's respective heirs, personal representatives, successors and assigns.

Except for notices expressly required under any of the Loan Documents, the undersigned waive(s) presentment, demand, protest, notice of dishonor, notice of demand or intent to demand, notice of acceleration or intent to accelerate, and all other notices, and agree(s) that no extension or indulgence to the undersigned (or any of them) or release, substitution or nonenforcement of any security, or release or substitution of any of the undersigned, any guarantor or any other party, whether with or without notice, shall affect the obligations of any of the undersigned. The undersigned waive(s) all defenses or right to discharge available under Section 3-605 of the Texas Uniform Commercial Code and waive(s) all other suretyship defenses or right to discharge. The undersigned agree(s) that the Bank has the right to sell, assign, or grant

participations or any interest in, any or all of the Indebtedness, and that, in connection with this right, but without limiting its ability to make other disclosures to the full extent allowable, the Bank may disclose all documents and information which the Bank now or later has relating to the undersigned or the Indebtedness. The undersigned agree(s) that the Bank may provide information relating to this Note or relating to the undersigned to the Bank's parent, affiliates, subsidiaries and service providers.

The undersigned agree(s) to pay or reimburse to Bank, or any other holder or owner of this Note, on demand, for any and all costs and expenses of Bank (including, without limit, court costs, legal expenses and reasonable attorneys' fees, whether inside or outside counsel is used, whether or not suit is instituted, and, if suit is instituted, whether at the trial court level, appellate level, in a bankruptcy, probate or administrative proceeding or otherwise) incurred in connection with the preparation, execution, delivery, amendment, administration, and performance of this Note and the related documents, or incurred in collecting or attempting to collect this Note or the Indebtedness or incurred in any other matter or proceeding relating to this Note or the Indebtedness.

The undersigned acknowledge(s) and agree(s) that there are no contrary agreements, oral or written, establishing a term of this Note and agree(s) that the terms and conditions of this Note may not be amended, waived or modified except in a writing signed by an officer of the Bank expressly stating that the writing constitutes an amendment, waiver or modification of the terms of this Note. As used in this Note, the word "undersigned" means, individually and collectively, each maker, accommodation party, endorser and other party signing this Note in a similar capacity. If any provision of this Note is unenforceable in whole or part for any reason, the remaining provisions shall continue to be effective. Chapter 346 of the Texas Finance Code (and as the same may be incorporated by reference in other Texas statutes) shall not apply to the Indebtedness evidenced by this Note. **THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.**

This Note and all other documents, instruments and agreements evidencing, governing, securing, guaranteeing or otherwise relating to or executed pursuant to or in connection with this Note or the Indebtedness evidenced hereby (whether executed and delivered prior to, concurrently with or subsequent to this Note), as such documents may have been or may hereafter be amended from time to time (collectively, the "**Loan Documents**") are intended to be performed in accordance with, and only to the extent permitted by, all applicable usury laws. If any provision hereof or of any of the other Loan Documents or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, neither the application of such provision to any other person or circumstance nor the remainder of the instrument in which such provision is contained shall be affected thereby and shall be enforced to the greatest extent permitted by law. It is expressly stipulated and agreed to be the intent of the holder hereof to at all times comply with the usury and other applicable laws now or hereafter governing the interest payable on the indebtedness evidenced by this Note. If the applicable law is ever revised, repealed or judicially interpreted so as to render usurious any amount called for under this Note or under any of the other Loan Documents, or contracted for, charged, taken, reserved or received with respect to the indebtedness evidenced by this Note, or if Bank's exercise of the option to accelerate the maturity of this Note, or if any prepayment by the undersigned or prepayment agreement results (or would, if complied with, result) in the

undersigned having paid, contracted for or being charged for any interest in excess of that permitted by law, then it is the express intent of the undersigned and Bank that this Note and the other Loan Documents shall be limited to the extent necessary to prevent such result and all excess amounts theretofore collected by Bank shall be credited on the principal balance of this Note or, if fully paid, upon such other Indebtedness as shall then remain outstanding (or, if this Note and all other Indebtedness have been paid in full, refunded to the undersigned), and the provisions of this Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectable hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid, or agreed to be paid, by the undersigned for the use, forbearance, detention, taking, charging, receiving or reserving of the indebtedness of the undersigned to Bank under this Note or arising under or pursuant to the other Loan Documents shall, to the maximum extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the usury ceiling from time to time in effect and applicable to such indebtedness for so long as such indebtedness is outstanding. To the extent federal law permits Bank to contract for, charge or receive a greater amount of interest, Bank will rely on federal law instead of the Texas Finance Code, as supplemented by Texas Credit Title, for the purpose of determining the Maximum Lawful Rate. Additionally, to the maximum extent permitted by applicable law now or hereafter in effect, Bank may, at its option and from time to time, implement any other method of computing the Maximum Lawful Rate under the Texas Finance Code, as supplemented by Texas Credit Title, or under other applicable law, by giving notice, if required, to the undersigned as provided by applicable law now or hereafter in effect. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Bank to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

**“Interest Period”** means a period of one (1) month (or such shorter period as may be acceptable to Bank in its sole discretion). The next occurring Interest Period, and each succeeding Interest Period, shall commence on the first Business Day of the month and shall end on the first Business Day of the next succeeding month; provided, however, that no Interest Period shall extend beyond the Maturity Date.

In the event that such rate does not appear on Page BBAM of the Bloomberg Financial Markets Information Service (or otherwise on such Service), the “LIBOR Rate” shall be determined by reference to such other publicly available service for displaying eurodollar rates as may be reasonably selected by Bank, or, in the absence of such other service, the “LIBOR Rate” shall, instead, be determined based upon the average of the rates at which Bank is offered dollar deposits at or about 11:00 a.m. (Dallas, Texas time) (or as soon thereafter as practical), two (2) Business Days prior to the first day of such Interest Period in the interbank eurodollar market in an amount comparable to the amount of the outstanding Indebtedness hereunder which is to bear interest on the basis of such LIBOR-based Rate and for a period equal to the relevant Interest Period.

The rights of Bank under this Note are cumulative and not exclusive of any right or remedies which Bank would otherwise have, whether by other instruments or by law.
